

MATILDA CAN DO MAGIC

(Write the questions from the book)

Complete the question and answer in your English literature notebook.

1 Answer) The Astounding event that took place was that the glass of water kept on the table of the Headmistress, Mrs Trunchbull, suddenly fell, the water spilled over and the newt present in the glass landed on Mrs. Trunchbull's shoulder.

Matilda did not chose to tell her parents about it because they would not understand and believe what she had said.

2 a Ans.) Miss Honey became alert when Matilda approached her to share a peculiar incident.

Miss Honey had been on high alert since two disastrous meetings she had recently had about Matilda - the first with the Headmistress and the second with Mrs. and Mr. Wormwood. Since then, Miss Honey had been contemplating how to help Matilda.

2 b Ans) Miss Honey's concern for Matilda grew as she observed her situation. She was determined to provide the best possible help for Matilda.

3 Ans) The speaker asked Matilda to knock the glass over again. At this particular moment, Miss Honey found herself feeling perplexed and unsure about whether she could believe the incident that Matilda had just said. The expression on her face clearly indicated her confusion.

4 a. Ans) Miss Honey means that Matilda had been so completely involved in performing the act of magic that it appeared to have transported her into another world altogether.

4 b Ans.) Matilda is completely focused, probably feeling a mix of determination and concentration as she tries to make the glass move. The description really shows the process and her struggle to control her powers.
