Misreading Scripture With Western Eyes:

Misreading Scripture with Western Eyes E. Randolph Richards, Brandon J. O'Brien, 2012-07-31 Brandon O'Brien and Randy Richards shed light on the ways that Western readers often misunderstand the cultural dynamics of the Bible. Identifying nine areas where commonplaces of modern Western thought diverge with the text, the authors ask us to reconsider long-held opinions about our most beloved book.

Misreading Scripture with Individualist Eyes E. Randolph Richards, Richard James, 2020-10-13 The Bible was written within collectivist cultures and it's easy for Westerners to misinterpret or miss important elements. Combining the expertise of a biblical scholar and a missionary practitioner, this essential guidebook explores the deep social structures of the ancient Mediterranean, stripping away individualist assumptions and helping us read the Bible better.

Your Daughters Shall Prophesy Todd Korpi, 2023-03-29 In *Your Daughters Shall Prophesy*, Todd Korpi charts the course for what it means to come alongside female pastors and leaders in order to move beyond being a passive supporter to being a passionate advocate for Christian women. Drawing from theology, leadership studies, practical experience, and the testimonies of women in ministry, Korpi addresses some of the most pressing issues in egalitarian churches and organizations today. He answers pressing issues such as: Whether men really are the spiritual head of the home; How our best intentions to help can actually harm women in ministry; How Christians need a better script for lust, power, and sexuality.

Hermeneutical Community C. S. Barefoot, 2024-12-23 Many Western initiatives exist for theological development in the majority world, but how often do practitioners from the West pause to examine the role they should play in that endeavor? Missions history and church history have revealed inadequacies of imposing foreign theology on local churches, yet the alternative of withdrawing from local theological development appears equally problematic. If therefore the outsider's role is neither to impose theology nor to withdraw from the task, then what is his or her role? *Hermeneutical Community* addresses this fundamental question and seeks to lay a sound missiological foundation for local theological development.
