The Story of Simon Rachel Loewen, 2020-09-22 Oh God Kate what the hell have you talked me into Only the best night of your entire life Simon and you can thank me later Simon knows nothing about the fetish scene His only experience with dominant women was his last girlfriend But that taste has left him longing for more He dreams of meeting a Mistress to help him explore his interest in femdom After a drunken confession to his friend Kate she persuades him to join her at a BDSM club Innocent and out of his depth what would possibly go wrong Simon hopes this exotic new world will offer him everything he craves Too shy to find a partner he lets Kate push him into another bad decision signing up for the slave auction Falling into dangerous hands he becomes a pawn in a terrifying game Will chasing his fantasies bring Simon everything he desires or will he live to regret it This story definitely built suspense I think this story showed that romantic relationships can come in so many different forms Just because someone's relationship is different from what society deems as normal doesn't mean it's not full of love I'd recommend it to anyone that enjoys romance novels

Mistress Ethics Victoria Brooks,2022-01-13 The figure of the mistress is undoubtedly controversial She provokes intense reactions ranging from fear to disgust and revulsion to excitement and titillation to sadness and perhaps to some love The mistress is conventionally depicted as a threat to moral living and someone whose sexuality is considered defective and toxic Of course she is a woman that you would not have as your friend and certainly not your wife since her ethical sense if she even has one is dubious at best This book subverts these traditional judgements and offers an unflinching look at the lived experience of the mistress Here she is recast as a potentially loving free intimate other woman Drawing upon feminist philosophy contemporary sexual ethics and the current cultural moment of MeToo Mistress Ethics moves beyond a narrative of infidelity conventional judgment the safeguarding of monogamy and conventional heterosex that permeates our society It asks what happens when we let go of our insecurities judgments and moralistic relationship philosophies and opt instead for an ethics of kindness This kindness underpinned by engaging with those deemed other and learning from mistresses both straight and queer will teach us new ways of thinking about ethics and sex and reveal how we have better sex and how we can be better to each other
