Tom Doyle

Mother Stands For Comfort:

Kate Bush's Hounds Of Love Leah Kardos, 2024-10-17 *Hounds Of Love* invites you to not only listen but to cross the boundaries of sensory experience into realms of imagination and possibility Side A spawned four Top 40 hit singles in the UK *Running Up That Hill* *A Deal with God* *Cloudbusting* *Hounds of Love* and *The Big Sky* some of the best loved and most enduring compositions in Bush's catalogue On side B a hallucinatory seven part song cycle called *The Ninth Wave* broke away from the pop conventions of the era by using strange and vivid production techniques that plunge the listener into the psychological centre of a near death experience Poised and accessible yet still experimental and complex with *Hounds Of Love* Bush mastered the art of her studio based songcraft finally achieving full control of her creative process When it came out in 1985 she was only 27 years old This book charts the emergence of Kate Bush in the early to mid 1980s as a courageous experimentalist a singularly expressive recording artist and a visionary music producer Track by track commentaries focus on the experience of the album from the listener's point of view drawing attention to the art and craft of Bush's songwriting production and sound design It considers the vast impact and influence that *Hounds Of Love* has had on music cultures and creative practices through the years underlining the artist's importance as a barrier smashing template defying business smart record breaking never compromising role model for artists everywhere **Real Myth** Giles

Watson, Buffarches, 2014-05-25 From legends of the Furies to the shower scene from *Psycho* from the gentleness of Melangell to the fury of Andraste this collection explores folk tales and myths through a range of different voices Giles Watson's dramatic monologues and idiosyncratic poetic narratives are complemented by beautiful and often unsettling illustrations by Buffarches **How To Be Invisible** Kate Bush, 2018-12-04 Selected and arranged by the author and with a new introduction

by novelist David Mitchell *How To Be Invisible* presents the lyrics of Kate Bush published together for the first time For millions around the world Kate is way more than another singer songwriter she is a creator of musical companions that travel with you through life One paradox about Kate is that while her lyrics are proudly idiosyncratic those same lyrics evoke emotions and sensations that feel universal Literature works in similar mysterious ways Kate's the opposite of a confessional singer songwriter You don't learn much about Kate from her songs She's fond of masks and costumes lyrically and literally and of yarns fabulations and atypical narrative viewpoints Yet these fiercely singular songs which nobody else could have authored are also maps of the heart the psyche the imagination In other words art David Mitchell **On Record** Simon

Frith, Andrew Goodwin, 2006-05-23 Classic sociological analyses of deviance and rebellion studies of technology subcultural and feminist readings semiotic and musicological essays and close readings of stars bands and the fans themselves by Adorno Barthes and other well known contributors **Running Up That Hill** Tom Doyle, 2022-10-27 A Times Book of the Year An

Uncut Magazine Book of the Year A Waterstones Music Book of the Year A Virgin Radio Book of the Year A Louder Book of the Year Probably the best Bush book to date Record Collector Kate Bush the subject of murmured legend and one of the

most idiosyncratic musicians of the modern era. Comprising fifty chapters or visions, *Running Up That Hill* is a multi-faceted biography of this famously elusive figure, viewing her life and work from fresh and illuminating angles. Featuring details from the author's one-to-one conversations with Kate, as well as vignettes of her key songs, albums, videos, and concerts, this artful, candid, and often brutally funny portrait introduces the reader to the refreshingly real Kate Bush. Along the way, the narrative also includes vivid reconstructions of transformative moments in her career and insights from the friends and collaborators closest to Kate, including her photographer brother John Carder Bush and fellow artists David Gilmour, John Lydon, and Youth. *Running Up That Hill* is a vibrant and comprehensive re-examination of Kate Bush and her many creative landmarks.

Confessions of a Tinderella Rosy Edwards, 2015-05-21 The laugh-out-loud true story of one girl's experience of life on Tinder. Rosy Edwards is the epitome of a contradictory twenty-something-year-old. She's frugal when it comes to food shopping but is willing to splash out on shampoo. She's career-minded; she just doesn't know which career to have in mind right now. And although she's happy being single, a part of her kind of wants a boyfriend. So after a few unsuccessful dates with friends of friends, read: being forced to date their shortest, dullest, oddest acquaintance, she put herself on Tinder, the app that has transformed the world of online dating. And she soon learns the unspoken rules the hard way: always reject a guy with black and white profile pics; he is ginger and/or ugly; is wearing a hat; bald; has a shot of his torso; moron; or is not standing beside anything scaleable 5'8" and under. And then there are the dates themselves. From a sky-high dinner date to a borderline drug bust in Chelsea, Rosy has experienced it all, swinging through her love life on the trapeze of Tinder. She falls for the wrong guys, ditches the nice ones, but can she finally find her happy ending? Brilliantly honest and hilariously funny, Rosy's story shows us all that the key to a successful love life could just be a swipe away. *Kate Bush on track* Bill Thomas, 2022-07-29 Kate Bush started her career at the top, the spellbinding *Wuthering Heights* giving her a number one hit single with her first release. Yet from there, artistically at least, the only way has been up. For while the sales of both singles and albums over the five decades since have had their peaks and troughs, every new release has seen Bush refuse to be boxed in by past success but instead continue to take the musical chances that have characterised her career from day one. Across ten studio albums, including director's cut reassessments of two of them and a live record of the 2014 Hammersmith Apollo residency, Kate Bush has constantly sought new ground, reinventing her sound time and again. She has often strayed from the commercial path of least resistance to examine the less travelled musical byways that have provided the inspiration for an extraordinary body of work quite unlike anyone else's. With a string of platinum albums and hit singles to her credit, Kate's is a fascinating journey. This book examines her entire recorded catalogue from *The Kick Inside* through to *Before the Dawn*, hoovering up all the B-sides and the rarities along the way. It's a comprehensive guide to the extraordinary music of Kate Bush. Bill Thomas was born in the mid-1960s and, after leaving the bright lights and romance of management accountancy behind him, he has carried on what he optimistically calls a career in both music and football over the course of the last 30

years Since he couldn't carry a tune in a bucket and has concrete feet that career has been limited to nothing more than writing about both disciplines which is about as close as he is ever going to get He lives in Shropshire UK *My Mother, My Sister, Myself* Annamarie Schmidt, 2007-08 Do you know the year your mother was born My Mother My Sister Myself is a book of Christian Poetry This beautifully written God inspired poetry is a reflection of Annamarie's life past and present She got the title of her book My Mother My Sister Myself from a poem she had written to her mother after her sister Carole had passed away from breast cancer Genre , 2001 *Catholic Wisdom for a Mother's Heart* Donna-Marie Cooper O'Boyle, 2018-05-08 Catholic Wisdom for a Mother's Heart is a creative and practical guide for a wide range of domestic church situations Catholic women can live out their familial vocation with seasoned simple suggestions for answering Christ's universal call to holiness Lovely poems conclude each chapter on a note of warmth that will lift hearts beyond the kitchen and up the path toward heaven This resource is for Catholic mothers and grandmothers who often fill the motherly role who are in the trenches raising their children through thick and thin amid the bombardment of the culture They need and crave the guidance encouragement and affirmation that this welcoming book will offer
