**Daughter** Jasmin Darznik, 2025-05-01 We were a world of two my mother and I until I started turning into an American girl That s when she began telling me about The Good Daughter It became a taunt a warning an omen Jasmin Darznik came to America from Iran when she was only three years old and she grew up knowing very little about her family s history When she was in her early twenties on a day shortly following her father s death Jasmin was helping her mother move a photograph fell from a stack of old letters The girl pictured was her mother She was wearing a wedding veil and at her side stood a man whom Jasmin had never seen before At first Jasmin s mother Lili refused to speak about the photograph and Jasmin returned to her own home frustrated and confused But a few months later she received from her mother the first of ten cassette tapes that would bring to light the wrenching hidden story of her family s true origins in Iran Lili s marriage at thirteen her troubled history of abuse and neglect and a daughter she was forced to abandon in order to escape that life The final tape revealed that Jasmin s sister Sara The Good Daughter was still living in Iran In this sweeping poignant and beautifully written memoir Jasmin weaves the stories of three generations of Iranian women into a unique tale of one family s struggle for freedom and understanding The result is an enchanting and unforgettable story of secrets betrayal and the unbreakable mother daughter bond *If You Love Me* Maureen Cavanagh, 2025-09-23 Maureen Cavanagh s gripping memoir *If You Love*

Me is the story of a mother who suddenly finds herself on the frontlines of the opioid epidemic as her daughter battles and ultimately reckons with substance use disorder Fast paced and heartwarming devastating and redemptive Maureen s incredible odyssey into the opioid crisis first as a parent then as an advocate is ultimately a deeply moving mother daughter story When Maureen and her ex husband Mike see their daughter Katie s needle track marks for the first time it is a complete shock But slowly the drug use explains everything Katie s constant exhaustion erratic moods and all those spoons that have gone missing from the house Once Mike and Maureen get Katie into detox Maureen goes to sleep that night hoping that in 48 hours she ll have her daughter back It s not that simple Like the millions of parents and relatives all over the country some of whom she has helped through her nonprofit organization Maureen learns that recovery is neither straightforward nor brief She fights to save Katie s life breaking down doors on the seedy side of town with Mike kidnapping Katie outside a convenience store and battling the taboo around substance use disorder in her picturesque New England town Maureen is launched into the shadowy world of overcrowded for profit rehabilitation centers that often prey on worried parents As Katie runs away from one program after another never outrunning her pain Maureen realizes that even while she becomes an expert on getting countless men and women into detox and treatment centers she remains powerless to save her own daughter Maureen s unforgettable story brings the opioid crisis out of the shadows and into the house next door

Last Things Marissa Moss, 2017-05-01 Last Things is the true and intensely personal story of how one woman coped with the devastating effects of a catastrophic illness in her family Using her trademark mix of words and pictures to sharp effect Marissa Moss presents the story of how she her husband and her three young sons struggled to maintain their sense of selves and wholeness as a family and how they continued on with everyday life when the earth shifted beneath their feet After returning home from a year abroad Marissa's husband Harvey was diagnosed with ALS The disease progressed quickly and Marissa was soon consumed with caring for Harvey while trying to keep life as normal as possible for her young children ALS stole the man who was her husband the father of her children and her best friend in less than 7 months This is not a story about the redemptive power of a terminal illness It is a story of resilience of how a family managed to survive a terrible loss and grow in spite of it Although it's a sad story it's powerfully told and ultimately uplifting as a guide to strength and perseverance to staying connected to those who matter most in the midst of a bleak upheaval If you've ever wondered how you would cope with a dire diagnosis this book can provide a powerful example of what it feels like and how to come through the darkness into the light Last Things is one of the most amazingly poignant and honest memoirs graphic or otherwise I've ever encountered This book which I read in one insatiable sitting tore my heart in two Moss handles the material with such a delicate sensibility both with her drawings and her text I couldn't help but let her carry me along on her journey of love and loss Katie Hafner contributing writer to The New York Times and author of Mother Daughter Me A Memoir

**Meher & Me** Farah, 2023-04-17 A Tale of an Unconventional Life and Courage Developed Through a Combination of Nature Nurture and Skills Acquired Along the Way My mother Meher believed that we choose our lives for the lessons we will learn These lessons flow into each of our lives for us to find a way to develop our innate emotional strength There are no common methods or modalities for dealing with life's challenges as they arise and so we all struggle until we discover our own unique blend of tools to navigate the journey Meher Me describes some of the situational lessons I am supposed to have chosen which I have had to learn to deal with One such lesson started with a phone call in the middle of the night that shook my world Your mother has been shot We are taking her to hospital You have to come home Come quickly In this Mother Daughter Relationship Memoir I share my struggles to reconcile the mysteries of life and death and as I looked back it was difficult to accept that I would have wished to be displaced as a child or could have chosen to have my father abandon me and my stepfather reject me Would I really have picked a life where my mother was shot Reeling from the

magnitude of what transpired I embarked on a journey inward to find the strength to overcome the harrowing tragedy harnessing my inner strength to find meaning in my life which ultimately brought me to a place of equanimity I sought I hope that by sharing my memories of this life and the lessons it has dealt me I will leave you with something you can take from my journey and use in your own life For my mother Meher who continues to watch over me
