(g) The term "retail installment contract" means any written instrument which is executed in connection with any retail installment sale and includes conditional sales contracts, purchase money chattel mortgages and bailment leases retaining a security interest in the seller.

(h) The term "cash price" means the price measured in dollars agreed upon in good faith by the parties as the consideration for the sale of a motor vehicle which is the subject matter of any retail installment sale, exclusive of all financing or other charges incident to such sale.

(i) The term "down payment" means that part of the cash price in any retail installment sale required by the retail seller to be paid at the time of the execution of the retail installment contract or prior to the delivery of possession of the motor vehicle sold.
