and the illegal dealings without raising any red flags with the MC they start to date Only what starts out as a fake relationship ends up being anything but Until eventually neither can no longer dance around the truth However once Mel s safety is threatened it s up to Finn to find a way to protect her without blowing the entire investigation Note Beyond the Badge Finn is the second book in the Blue Avengers MC series It s HIGHLY recommended to read this six book action adventure series in order due to the continuing story arcs subplots However each book focuses on a different couple who gets their HEA This series has no cheating or relationship cliffhangers
