

## **Memorandum**

**Dated:** 14 January 2023

**To:** Sales & Marketing Group

**From:** Praveenkumar Revankar, Product Engineering

**Subject:** Delay in release timelines of Feature A and Feature B.

### **Purpose:**

The purpose of this document is to notify the cross-functional group about sudden changes in release timelines of Feature A and Feature B and to reinform the group to reprioritize certain tasks for Sales and Marketing for the release.

### **Background/Context:**

We have been working together on our key USP features 'Feature A' and 'Feature B' for targeting their release this quarter. Due to unforeseen circumstances, there is a change in the release timelines and the new timeline will be shared shortly in Scrum of Scrum meeting where a representative from Sales has been invited.

### **Action:**

Even though it looks like a major setback and current activities w.r.t. The release can be paused, there are certain actions that have to be performed in this quarter. The same has been conveyed in Jira, marking the work items with labels "Q1\_Paused" and "Q1\_Must." Please reprioritize your internal activities based on the labels in Jira and ensure a final plan reflected in Jira on or before 30 January 2023.

### **Conclusion:**

We might be delayed with the release but we are not affecting the business. The necessary strategy is defined and put in place to ensure customers can solve their problems using our support until Feature A and Feature B release.

Thanks,  
Praveenkumar Revankar

reform the European Commission argued that the increasing diversity of 21st century working relationships means that existing labour law is no longer adequate This report brings together the evidence from a wide range of experts and representative bodies about these issues as they affect the UK labour market It finds that the evidence does not support the Commission The consensus is that the relatively light regulation of the UK labour market is advantageous and that problems of social disadvantage and structural unemployment are better addressed by measures aimed at tackling poor skills and social inequality rather than changing labour law The report therefore recommends that efforts at EU level should focus on the promotion and sharing of good practice rather than the introduction of new legislation     Cambridge Business English Dictionary Roz Combley,2011-11-10 The most up to date business English dictionary created specially for learners of English

### **Unearthing Policies of Instrumentalization in English Religious Education Using Statement Archaeology**

Jonathan Doney,2021-01-01 This book presents the theoretical basis and practical steps involved in using Statement Archaeology an innovative method that enhances understandings of policy development exemplifying its use in relation to one curriculum subject Religious Education The book is the first of its kind to fully describe the theoretical foundations of Statement Archaeology and the practical steps in its deployment acting as a methodological handbook that will enable readers to use the method subsequently in their own research Further the book offers an unparalleled contribution to the historical account of the development and maintenance of compulsory RE in English state maintained schools and uses this to engage with key current debates in Religious Education policy It unearths important insights into how the present is built informs future policy direction and potential implementation strategies and helps prevent the repetition of unsuccessful past endeavours This book will be of great interest for academics researchers and post graduate students in the fields of religious education educational policy and politics and research methods in education     **Comparative tables of English & American prices, for the general trade** Charles Moesch,1867     **Revising STEM 4: Watch it!** Jason Changkyu
