

SUMMARY

The summary is a shortening of the essential points of a passage, speech or lecture to one third of its original length.

Summarising helps to confine information to the essential points.

STEPS

- Identify the **purpose**.
- Read the passage for **comprehension**.
- Read the passage again and **underline** the important points.
- As a **first draft** write down the points you have identified.
- In the first draft you can **still quote** from the passage.
- Read through the first draft and check that **each point** you wrote down **connects** to the **purpose**.
- **Omit** all examples, figurative language, repetition, quotations, contrasts and analogies.
- **Reduce** phrases and ideas to one word if possible.
- **Count** the number of words.
- Provide a **title**. (Not part of word count)
- **Rewrite** the first draft into a final summary.
- Use your **own words** at all times. Replace a word with your own word and rearrange word order.
- Draw a **line through** your first draft.
- Write the **word count** at the **bottom** of final.

What to Do

THINGS TO REMEMBER

- The **order** of the information may be **changed**.
- Use subordinating **conjunctions** to ensure that your text is smooth, e.g.: while, however, consequently, yet and nevertheless. The **colon** is useful for emphasis and linking.
- **Hyphenated** words and **acronyms** (FIFA, NATO or SABC) count as **one**.
- When **exceeding** the word count, the marker shall **stop marking after** the sentence in which the word count is exceeded is completed.
- As soon as you **quote even one** point you will only receive **one** out of a possible of 3 marks for **language**.

English First Additional Language Scope Grade9 2014:

Language and Sustainable Development Lisa J. McEntee-Atalianis, Humphrey Tonkin, 2023-03-03 This book addresses the importance of language in matters of sustainability and incorporating such concerns in implementing the UN Sustainable Development Goals (SDGs). Sustainable language policy must aim to include all groups including language minorities and marginalized populations such as refugees and aid recipients in conditions that allow for their inclusion in making and implementing policy. The book brings together nine studies covering such topics as language and digital resources, sustainable and inclusive multilingual education, national language policy, and language in peacekeeping operations. A final chapter addresses the crucial intersection between sociolinguistics and economics and the implications of this for development and the SDGs.

Methods & Approaches in English Language Education in Türkiye Nuray Okumuş Ceylan, **Private Schools in the Kurdistan Region of Iraq** Hassun, Hishyar, 2023-03-16 This book addresses the development and the functions of private schools in the Kurdistan Region of Iraq, a region that witnessed a huge change in the education system after its establishment in 1992, alongside with the rise of private schools. Numbers of private school choice and profiles of private education providers are discussed based on empirical data. The data consist of using document analysis of 10 private education providers' websites to describe the profiles of private education providers as well as a questionnaire n=223 conducted with parents to find out the most important factors influencing the choice of private schools. The study shows that private schools in the Kurdistan Region of Iraq connect students to the globalized world through using English as the medium of instruction, which is considered the most important factor that parents consider in choosing private schools. The choice of private schools can be seen as a reflection for a globalized movement towards the privatization of education.
