Enhanced Book Two Retribution Redemption:

Enhanced Book Two Ben Brown, 2014-11-06 After a wait of three years the long anticipated sequel to Ben Brown's acclaimed first novel is finally here. *Enhanced Retribution Redemption* picks up where his award-winning novel *Enhanced* left off. In this exciting continuation of Zac's adventures, Zac and his team find themselves delving ever deeper into the underworld of enhanced humans. However, old enemies plot against them, resulting in new and ever more dangerous threats not only to his team but to the world. This tale moves smoothly from location to location and obstacle to obstacle. At every turn, Zac's pursuit of his quarry is met with new and increasingly bizarre hurdles. The cost involved in conquering those hurdles is high but not as high as failure. *Enhanced Retribution Redemption* takes the reader in an all new direction from the book's predecessor, a direction that will leave you reeling with every page you turn. This book is packed with Ben Brown's hallmark action but also travels a darker, more intense path. If you are looking for an action-packed book that flows a little deeper than just bullets and explosions, this may be just the book for you.

Be Better, Not Bitter Dakota Decker Jr., 2017-07-06 Being thrown into prison or jail is a soul-crushing life experience, and any prisoner has one of the two following choices pertaining to how they handle the experience: they can become bitter or they can become better. The natural choice is to become bitter; many times, very, very bitter. Mr. Decker provides the reader with his experience and understanding as to the basis of either choice. This is framed as either a fear-based or a love-based choice. This frame applies to both prisoner and nonprisoners alike, including why we incarcerate people in the first place. Using his prison experiences, social science, and many wise people's quotes, he helps the reader see that if a prisoner or nonprisoner uses only the author's fear-based insights, anyone will naturally become bitter. However, if we all use the author's love-based insights, we will become better. Mr. Decker's insights and wisdom can and should be liberally applied to nonprison environments, as his insights apply equally to every person in every walk of life. The reader comes away knowing he's able to withstand any and every one of life's challenges using love and forgiveness. Mr. Decker demonstrates that love-based thinking is the key to our peace of mind. Each one of us is entitled to and capable of the peace of mind he describes.

How God Deals with Evil Wayne Sibley Towner, 1976-01-01 When tragedy strikes, the victim often asks, "What have I done to deserve this? Or why did God do this to me?" Here, in Wayne Sibley Towner's absorbing book, we see the practical implications of biblical theology demonstrated as they relate to how God deals with evil. The author explores the entire sweep of the canon to show the complexity of the subject and illustrates a method for dealing with a subject that pervades the whole Bible. The incarnation itself and biblical realism, Towner believes, show that our life styles as Christians have to be built upon the knowledge that God is for us, a cause of hope and joy. Towner's fresh approach will be welcomed by pastors, counselors, and all who seek understanding of how God deals with evil.
