Thanks to the dawn of MTV and the increasing affordability of synthesizers, a generation of innovative artists took the world by storm to create one of the last great glory eras of pop music. To get to the heart of what made this decade so special, music journalist Jim Beviglia weaves a narrative of the stories behind the pop music phenomenon. *Playing Back the 80s: A Decade of Unstoppable Hits* features original interviews with more than sixty artists, producers, session players, writers, and others who were directly involved with the most memorable songs of the decade. Among those who appear in *Playing Back the 80s* are iconic artists like Huey Lewis, Rick Springfield, Kim Carnes, Vernon Reid, Dennis DeYoung, Colin Hay, and Eddie Money, telling the stories of how they created, often against imposing odds and in the midst of bizarre circumstances, the unstoppable hits and unheralded gems that still enchant so many fans today. *Playing Back the 80s* will have music fans pulling their old cassettes out of storage and remembering when and where they heard the songs first. For those who didn't grow up in the 80s, this endlessly fun book will show them what the fuss was all about and maybe reveal a few surprises along the way.
