Congress. Senate. Committee on Commerce, 1973 **Putting for the Green** Margaret Flynn, Arlene Scollar, 2008-11 Putting for the Green tells the story of a million dollar golf tournament where the Mafia plans to steal the cash prize The private lives of country club members reveal greed and infidelity as they vie to be part of the winning team Intertwined in the story is a view of life after Bath Beach Brooklyn and how the Mafia offspring lead their lives Discover how upper class families and questionable characters influence each other In the end are these two groups really very different Federal Register , 1981 Automotive Repair Industry United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly, 1969 Investigates automobile repair business to determine if automobile manufacturers create anticompetitive environment causing the inordinately high cost increases for automobile parts and labor to effect repairs How to Build a Million Dollar Medical Transportation Company Joel Davis, 2025-01-06 How to Build a Million Dollar Medical Transportation Company is a 325 page manual created by online best selling author Joel Davis The most recent revision Edition XIX published in May 2023 includes step by step processes and procedures for building your own successful Non Emergency Medical Transportation Company The former owner of a very successful NEMT business in one of the most highly regulated states New York Joel achieved great success by building exceptional relationships with area facilities establishing service agreements and gaining increased rates of reimbursement from Medicaid Joel remains the foremost authority in the NEMT industry helping to advise educate prepare and negotiate contracts on behalf of providers across the country Through his efforts many providers have gained increase rates of reimbursement diversified business models increased net worth and enhanced business model fostering more efficiency and productivity Joel is founder of the United Medical Transportation Providers Group UMTPG His efforts are very much needed as the elderly population continues to grow at such a pace it will literally double by the year 2030 This highly targeted and rapidly growing niche market is always going to need assisted support services to include transportation Coupled with a

booming medical industry that will consume in excess of 25% of the GDP in the coming years hospitals and facilities are always in need of quality assisted transportation The NEMT industry is obviously growing in demand and longevity There are several ways to make money in this industry to include private pay clients Medicaid workers comp VA no fault insurance private facility contracts and more Hospitals and facilities are always in need of transportation to ensure continuity of care and accomplish their mission You can transport clients to and from medical appoints dialysis centers treatments centers in and out of hospitals out of emergency rooms to and from doctor offices senior centers and much more Again the opportunities are wide and diverse One of the best aspects in starting a NEMT business is that it doesn t require a lot of upfront capital as compared to other startups franchises and business opportunities Also because this is NON emergency transportation you do NOT need any special life saving skills equipment or training This means anyone can start build and operate their own successful non emergency medical transportation company by following Joel s step by step instructions In this resource you re going to learn Necessary licensing and registration requirements Different elements components and assets needed to build and integrate into your NEMT business Strategies systems policies and procedures for drivers dispatchers and asset management Driver Manual and Training Employee Handbook and many other forms to duplicate and customize for your business Policies and procedures for effective daily office dispatch and account management Strategies for managing labor costs cash flow and expenses to ensure maximum profit earning potential Policies and procedures for monitoring vital business statistics and profitability to indicate timing for vehicle and asset acquisition This is a content rich manual that is direct to the point and offers no fluff At a time when finding legitimate business opportunities are rare this is a business opportunity with longevity and real earning potential Don t be fooled by knock off resources created by bloggers and phony authors Joel provides real opportunity guidance and solutions When you invest in How to Build a Million Dollar Medical Transportation Company you re investing in much more than an ebook You re investing in service and support from the expert in the industry versus an online marketer with no NEMT experience
