Annika Rose is an English major at the University of Illinois. Anxious in social situations where she finds most people's behavior confusing she'd rather be surrounded by the order and discipline of books or the quiet solitude of playing chess. Jonathan Hoffman joined the chess club and lost his first game and his heart to the shy and awkward yet brilliant and beautiful Annika. He admires her ability to be true to herself quirks and all and accepts the challenges involved in pursuing a relationship with her. Jonathan and Annika bring out the best in each other finding the confidence and courage within themselves to plan a future together. What follows is a tumultuous yet tender love affair that withstands everything except the unforeseen tragedy that forces them apart shattering their connection and leaving them to navigate their lives alone. Now a decade later fate reunites Annika and Jonathan in Chicago. She's living the life she wanted as a librarian. He's a Wall Street whiz recovering from a divorce and seeking a fresh start. The attraction and strong feelings they once shared are instantly rekindled but until they confront the fears and anxieties that drove them apart their second chance will end before it truly begins.

Maggie looks into the decades old murder of a controversial cop. A long time ago Roy Frady was a perfect cop. Now he's perfect fodder for one of Maggie MacGowen's documentaries. Frady worked narcotics in the Seventy seventh Street Division as part of a unit nicknamed the Four Horsemen. A merry band of iron fisted brothers they kept their district clean of drugs until a litany of brutality charges caused their downfall. Not long after Roy Frady was found with a 9 mm slug in his skull. The case remained unsolved for two decades. One of the Four Horsemen was Mike Trent who went on to become a homicide detective and the love of Maggie's life. Through the years Frady's file never left his desk and as he approaches retirement he vows to close the case. Maggie plans a documentary about Mike's investigation unaware that she and her camera will find things in his past that are
