[Doesn't Make Sense](#) Robert Jeffress,2013-07-03 Forgiveness Is Always Difficult and Often Illogical But It s the Only Remedy God Offers to Heal Our Hearts With the experience of more than two decades in the ministry Dr Robert Jeffress has come to the conclusion that forgiveness is the bottom line issue of life Failure to receive God s forgiveness results in eternal hell failure to grant forgiveness to those who have hurt us results in a living hell While most people especially Christians esteem

the concept of forgiveness in theory few have mastered what one person has called the art of forgiveness As C S Lewis once said Forgiveness is a beautiful word until you have something to forgive When Forgiveness Doesn't Make Sense is an intensely biblical yet extremely practical approach to this crucial issue Dr Jeffress deals with the major misunderstandings about forgiveness believing you cannot forgive those who never ask for it confusing forgiveness with forgetting or with reconciliation and believing that forgiveness automatically erases the consequences of harmful actions Dr Jeffress explains the process of our forgiveness by God as well as the power of our forgiveness of others Readers will also learn questions to ask themselves before they seek forgiveness from another essentials of an effective apology reasons others may refuse to forgive them action steps for dealing with painful memories a check list to determine whether they have genuinely forgiven another and much more Forgiveness is difficult and often illogical But When Forgiveness Doesn't Make Sense will equip and encourage readers to become more forgiving and to experience God's forgiveness more deeply At some time in our lives we will be hurt deeply by another person It may be a family member who mistreats us a business associate who cheats us a child who rebels against us a friend who betrays us a mate who deserts us or a God who disappoints us While we can't control the hurts that come into our lives we can choose what to do with those hurts We can let them make us bitter or we can release them through forgiveness While forgiveness doesn't always seem to make sense as Dr Robert Jeffress explains in his important new book it is the only way God has given us to effectively resolve the pain of our past More importantly it's the obligation of every Christian
