How To Change A Dashboard Light In A Mazda Truck

Richard Bailey

How To Change A Dashboard Light In A Mazda Truck:

Heat and Light Jennifer Haigh, 2016-05-03 Acclaimed New York Times bestselling author Jennifer Haigh returns to the Pennsylvania town at the center of her iconic novel *Baker Towers* in this ambitious aching human story of modern America and the conflicting forces at its heart a bold moving drama of hope and desperation greed and power big business and small town families Forty years ago Bakerton coal fueled the country Then the mines closed and the town wore away like a bar of soap Now Bakerton has been granted a surprise third act it sits squarely atop the Marcellus Shale a massive deposit of natural gas To drill or not to drill Prison guard Rich Devlin leases his mineral rights to finance his dream of farming He doesn't count on the truck traffic and nonstop noise his brother's skepticism or the paranoia of his wife Shelby who insists the water smells strange and is poisoning their frail daughter Meanwhile his neighbors organic dairy farmers Mack and Rena hold out against the drilling until a passionate environmental activist disrupts their lives Told through a cast of characters whose lives are increasingly bound by the opposing interests that underpin the national debate *Heat and Light* depicts a community blessed and cursed by its natural resources Soaring and ambitious it zooms from drill rig to shareholders meeting to the Three Mile Island nuclear reactor to the ruined landscape of the strippings haunting reminders of Pennsylvania's past energy booms This is a dispatch from a forgotten America a work of searing moral clarity from one of the finest writers of her generation a courageous and necessary book
