Husqvarna Riders is a series of ride-on mowers with a large capacity. There are six sizes, from the smallest Rider 11 to the largest Rider 20 ProFlex.

This manual refers mainly to the smaller machines; the larger ProFlex machines are covered by a separate manual. All Riders have articulated steering in order to easily cut around trees and other obstacles. Moreover, they all have front-mounted mowing decks for controlled cutting and for best possible cutting results.

Husqvarna Riders can, moreover, be equipped with various accessories such as moss rake and dozer blade which make them flexible working tools throughout the year.

Rider 11 and Rider 11 Bio can be delivered with a manual gearbox, while the other models are only available with hydrostatic transmission.

Rider 11 and Rider 13 H have a mowing deck with rear ejection. They can also be ordered with a Bio deck, in which case they are called the Rider 11 Bio or Rider 13 H Bio.

Rider 14 Pro can be delivered with four different mowing decks.
