Focus On: 100 Most Popular Television Series by Sony Pictures Television Wikipedia contributors, [Television Finales](#) Douglas L. Howard, David Bianculli, 2018-11-13 Today more than ever series finales have become cultural touchstones that feed watercooler fodder and Twitter storms among a committed community of viewers While the final episodes of *The Fugitive* and *M A S H* continue to rank among the highest rated broadcasts more recent shows draw legions of binge watching fans Given the importance of finales to viewers and critics alike Howard and Bianculli along with the other contributors explore these endings and what they mean to the audience both in terms of their sense of narrative and as episodes that epitomize an entire show Bringing together a veritable who's who of television scholars journalists and media experts including Robert Thompson Martha Nochimson Gary Edgerton David Hinckley Kim Akass and Joanne Morreale the book offers commentary on some of the most compelling and often controversial final episodes in television history Each chapter is devoted to a separate finale providing readers with a comprehensive survey of these watershed moments Gathering a unique international lineup of journalists and media scholars the book also offers readers an intriguing variety of critical voices and perspectives

Women in the Western Matheson Sue Matheson, 2020-07-31 In Westerns women transmit complicated cultural coding about the nature of westward expansionism heroism family life manliness and American femininity As the genre changes and matures depictions of women have transitioned from traditional to more modern roles *Frontier Feminine* charts these significant shifts in the Western's transmission of gender values and expectations and aims to expand the critical arena in which Western film is situated by acknowledging the importance of women in this genre

[Better Living through TV](#) Steven A. Benko, 2022-03-25 Watching television need not be a passive activity or simply for entertainment purposes Television can be the site of important identity work and moral reflection Audiences can learn about themselves what matters to them and how to relate to others by thinking about the implicit and explicit moral messages in the shows they watch *Better Living through TV Contemporary TV and Moral Identity Formation* analyzes the possibility of identifying and adopting moral values from television shows that aired during the latest Golden Era of television and Peak TV The diversity of shows and approaches to moral becoming demonstrate how television during these eras took advantage of new technologies to become more film like in both production quality and content The increased depth of characterization and explosion of content across streaming and broadcast channels gave viewers a diversity of worlds and moral values to explore The possibility of finding a moral in the stories told on popular shows such as *The Sopranos* *Breaking Bad* *The Wire* and *The Good Place* as well as lesser known shows such as *Letterkenny* and *The Unicorn* are explored in a way that centers television viewing as a site for moral identity formation

European Television Crime Drama and Beyond Kim Toft Hansen, Steven Peacock, Sue Turnbull, 2018-12-05 This book is the first to focus on the role of European television crime drama on the international market As a genre the television crime drama has enjoyed a long and successful career routinely

serving as a prism from which to observe the local national and even transnational issues that are prevalent in society This extensive volume explores a wide range of countries from the US to European countries such as Spain Italy the Scandinavian countries Germany England and Wales in order to reveal the very currencies that are at work in the global production and circulation of the TV crime drama The chapters all written by leading television and crime fiction scholars provide readings of crime dramas such as the Swedish Danish The Bridge the Welsh Hinterland the Spanish Under Suspicion the Italian Gomorrah the German Tatort and the Turkish Cinayet By examining both European texts and the European ness of various international dramas this book ultimately demonstrates that transnationalism is at the very core of TV crime drama in Europe and beyond
