Global Problems, Global Solutions JoAnn Chirico,2018-10-23 Global Problems Global Solutions Prospects for a Better
World approaches social problems from a global perspective with an emphasis on using one s sociological imagination
Perfect for instructors who involve students in research this text connects problems borne by individuals to regional global
and historical forces and stresses the importance of evidence in forming opinions and policies addressing social issues The
book introduces readers to the complexities of the major problems that confront us today such as violent conflict poverty
climate change human trafficking and other issues that we encounter in our lives It book concludes with a chapter on politics
and government underscoring the need for good governance at all levels and cooperation among many layers of government
