Sutter, 2014-06-25 An Iron Horse Saga is not a traditional romantic novel with a sultry love triangle, but rather a true story of an adventurous cross country motorcycle ride by a deeply in love husband and wife. A deep bond developed between the Rider and Iron Horse during the ride's impossible conditions. Normally a 5,200 mile Coast to Coast ride should be a simple test of Rider endurance. This ride was anything but normal. A transplanted skier from Upstate New York, the author moved to Florida to take advantage of the warmer climate and pursue his 2nd passion of motorcycle riding. The author's motorcycle

riding experience spans 50 years and over 500 000 miles A cross country motorcycle ride between the Atlantic Ocean and Pacific Ocean was an idea borne by the author to combine his passion for motorcycle riding with an opportunity to raise money to benefit children in the community The Kiwanis Club of Southeast Volusia County sponsored the Coast to Coast Benefit Ride for Children **American Motorcyclist** ,1983-03 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN **American Motorcyclist** ,1984-05 American Motorcyclist magazine the official journal of the American Motorcyclist Associaton tells the stories of the people who make motorcycling the sport that it is It s available monthly to AMA members Become a part of the largest most diverse and most enthusiastic group of riders in the country by visiting our website or calling 800 AMA JOIN **Motorcycle Touring** Gregory W.
