Factors That Influence Curriculum Change:

Change and the Curriculum Geva M. Blenkin Gwyn Edwards Albert Victor Kelly, MS Geva M Blenkin, Professor T Gwyn Edwards, Professor A Vic V Kelly, 1992-04-28 Through the work of the Schools Council and other national agencies the difficulties of achieving effective curriculum change through centralized initiatives and directives have been well documented At the same time the importance of teacher involvement in such activities and the advantages of curriculum development over revolutionary innovation have become plain This knowledge and the understandings it has generated are important today when unusually sweeping changes are being brought about in the school curriculum The authors of this book draw together these ideas to assist people promoting curriculum changes as well as those on the receiving end of such projects

Factors that Influence Curriculum Change Neil J. McKinnon, 1982 *Curriculum Development: Perspectives, Principles and Issues* Mrunalini Talla, 2012 Curriculum Development Perspectives Principles and Issues gives a broad overview of the various perspectives on the subject and acquaints the teachers and teacher educators with the principles of curriculum development It begins by giving the account of historical developments the philosophical and sociological basis and goes on to describe the processes and models in curriculum development This book approaches students in a way to enhance their interest in curriculum research Influencing the Curriculum Change Process: a Case Study of a Selected School District

David Hugh Hampson, 1971 **School Effectiveness And School-Based Management** Yin Cheong Cheng, 2013-01-11 The aim of this book is to bridge the widening gap between ongoing educational reforms and the lack of advances in knowledge research and practice Included is a description of new mechanisms in fields such as leadership staff development and curriculum change *Teacher Empowerment Through Curriculum Development* Arend E. Carl, 2009 Teacher Empowerment through Curriculum Development Theory into Practice encourages the empowerment and involvement of teachers in the curriculum development process This updated third edition is a must for every teacher who acknowledges the need for empowerment and wishes to contribute to the process of curriculum development in a changing South Africa Book Jacket

An Analysis of the Causative Factors in Curriculum Change in Baccalaureate Nursing Education Andrea Olexa Hollingsworth, 1987 **Transforming Curriculum for A Culturally Diverse Society** Etta R. Hollins, 2013-10-18 The intention of this book is to engage educators in transforming the public school curriculum for a culturally diverse society This means more than including knowledge about diverse populations It means reconceptualizing school practices through debate deliberation and collaboration involving the diverse voices that comprise the nation Certain key questions must be addressed in this process What should be the purpose of schooling in a culturally diverse society Who should be involved in curriculum planning and what process should be employed How is the actualized curriculum differentiated What is the relationship between school practices and the structure of the larger society How should the curriculum be evaluated The authors of the essays in this book address critical perspectives from which a framework is constructed for a discourse on planning

curriculum for a culturally diverse society In a substantive introduction Hollins presents the major themes and overall goals of the book and describes how the readings in each of the four parts are linked to each other and to these themes and goals Each part begins with critical questions and an overview to provide a framework and a focus for the readings that follow and concludes with suggested learning experiences *Routledge Handbook of Higher Education for Sustainable Development* Matthias Barth,Gerd Michelsen,Marco Rieckmann,Ian Thomas,2015-10-08 The Routledge International Handbook of Higher Education for Sustainable Development gives a systematic and comprehensive overview of existing and upcoming research approaches for higher education for sustainable development It provides a unique resource for researchers engaged in the field of higher education for sustainable development by connecting theoretical aspects of the range of relevant methodologies showing the interdisciplinary aspects of the research field and illustrating the breadth of research directions With a team of international authors from leading universities in research and teaching in higher education for sustainable development this Handbook brings together a broad range of research approaches and shows how these approaches are reflected in the research practice in higher education for sustainable development Key topics include Research Paradigms and Methodologies Ongoing and Future Directions of Research Meta Analysis and Reviews Policy and Politics Challenges for Implementation Action Research and Transdisciplinary Perspective Gender Diversity and Post Colonial Perspectives Operationalising Competencies Outcome Oriented Research Curriculum Change Organisational Change and Organisational Learning Community and Partnerships University Appraisal Systems and Indicators Evaluation Approaches Engaging Academic Teachers Good Practice Learning and Teaching Transformative Leadership and Change Strategies This Handbook is an invaluable research and teaching tool for all those working in higher education for sustainable development
