Failing At Fatherhood A For The Imperfect Father:

Failing at Fatherhood Jack Barr,2014-11-10 The day my daughter Marley was born I went straight to the nursery and held her for well over two hours I just held her and cried because I had never experienced such a love for anyone or anything in my life I think the nurses thought I was crazy because eventually they told me I needed to go be with my wife Three days later before we left the hospital the pediatric doctor told us she thought Marley might have Down syndrome My reaction Are you freaking kidding me I immediately had a panic attack Thus begins the brutally honest account of a new father who struggles with his faith his family and mostly himself as he comes to grips with the prospect of raising a child with a disability The author Jack Barr does not hold anything back as he shares his questions and his pain Through a process of understanding love prayer faith and support from others the author s perspective changes and he comes to realize the beautiful blessing that has been given to him and the privilege it is to be a father Failing at Fatherhood is indeed a book for the imperfect father and it will help any parent who may be struggling through a crisis of faith By sharing Jack s story one will grow in their perspective on life and God so that they may better understand their own role as a parent and spouse

Imperfect Dads, One Perfect Father Scott Silverii,Juan Martinez,George Gregory,Richard Bright,2021-06-15 Want to be a better father Four dads have come together to create a powerfully honest and insightful guide for men who sincerely want to improve relationships with their kids Many men struggle with strained connections with their own dad or the effects of having grown up without a male role model This imperfect model of fatherhood has left a generation of dads without the foundation for raising their own kids The authors share their uniquely diverse perspectives and personal experiences to show that no matter who you are how you grew up or what your current situation is you can always look to the one perfect example of fatherhood to guide you into sharing the best relationship you ve ever had with your kids God the Father created the gift of being a dad and it s through His very own example that we learn not the best way but the only way to be dad If you re not the dad you thought you d be at this point in life or if you re looking to up your game in the dad department Imperfect Dads One Perfect Father will encourage men through the journey of fatherhood *Mothers on Trial* Phyllis

Chesler,2011-07-01 Completely updated and revised for the twenty first century *Mothers on Trial* remains the bible for all women facing a custody battle as well as the lawyers psychologists and others who support them This landmark book was the first to break the false stereotype about mothers getting preferential treatment over fathers when it comes to custody In this new edition Chesler shows that with few exceptions the news has only gotten worse when both the father and the mother want custody the father usually gets it The highly praised *Mothers on Trial* is essential reading for anyone concerned personally or professionally with custody rights and the well being of our children [Son of the Vision: English Version](#)

Adrian Sarwono,2025-10-12 Burdened with a mound of financial debt and a firm on the verge of collapse I realized that only a miracle could save me from this web of troubles Just like any good church member I sought a miracle from God by

following all the religious truths I believed in An encounter with God caused me to recognize the fallacy of my own perspective The rebuke from my spiritual mentor along with my obedience and submission led me to the breakthrough I needed I finally discovered my life s vision on my journey walking on the vision that God gave to my church and spiritual father Son of the Vision SOTV is the outcome of extensive personal observation and deep reflection that have occurred over the course of several years It is a perspective principle and value system that transformed me from a spiritual beggar seeking miracles for personal gain to a son of the vision who receives the inheritance of anointing I shifted from a consumer Christian who worshiped and served solely to bribe God to someone who raises leaders **The Sermon on the Mount** R. The Rainbow, a magazine of Christian literature ,1876 *The Graphic Lives of Fathers* Mihaela Precup,2020-02-21 This book explores the representation of fatherhood in contemporary North American autobiographical comics that depict paternal conduct from the post war period up to the present It offers equal space to autobiographical comics penned by daughters who represent their fathers complicated and often disappointing behavior and to works by male cartoonists who depict and usually celebrate their own experiences as fathers This book asks questions about how the desire to forgive or be forgiven can compromise the authors ethics or dictate style considers the ownership of life stories whose subjects cannot or do not agree to be represented and investigates the pervasive and complicated effects of dominant masculinities By close reading these cartoonists complex strategies of self representation this volume also places photography and archival work alongside the problematic legacy of self deprecation carried on from underground comics and shows how the vocabulary of graphic narration can work with other media and at the intersection of various genres and modes to produce a valuable scrutiny of contemporary norms of fatherhood
