

This emoji is a very good example of how I feeling on the first day of school. On the first day of school I was feeling happy. I was happy because I got to see my friends again and it was my friend's birthday.

This emoji represents that I am feeling nervous. I'm new, nervous on the first day of school because I was getting a new class and I don't know much people at the school.

MY EMOJIS

On my first day of school, I was nervous and excited. By the time I came I was pretty good. When I was going to get I was excited to see the teacher. This is why I put the emoji.

My first day of school was a little bit nervous. I was going to see my friend for the first time. I was going to see my friend for the first time. I was going to see my friend for the first time.
