Asteroid Answers to Ancient Calendar Mysteries Herbert B. Stollorz, 2008-07-03 Ancient calendars found around the world are designed to end one point in time They communicate an urgent warning to everyone alive today Complex bronze and gold clocks with multiple dials are found in museums around the world Why they have such advanced intricacy has stumped scientists for hundreds of years This book reveals why the ancients built so many pyramids observatories as well as those complex gold and bronze clocks with more than one dial It surprised me greatly to discover that their various complex designs in one way or another converge on 21 December 2012 It amazes me that ancient cultures separated by thousands of miles of geography and thousands of years in chronology agree so precisely in the cyclical nature of time history and prophecy which is history written in advance The most famous example is the Mayan Aztec calendar which ends its 25 626 year cycle on that momentous date Some researchers have also found 21 December 2012 in what is called the Bible Code Using very different research methods I discovered it in the Bible s book of Revelation and Daniel s prophecies It is one of the most important dates in the plan of God for all humanity **The Complete Book of Bible Prophecy** Mark Hitchcock, 1999 A theologian and pastor offers a comprehensive easy to use guide to biblical prophecy **Charting the End Times** Tim LaHaye, Thomas Ice, 2001-09-01 Bestselling author Tim LaHaye and prophecy expert Thomas Ice teamed up to produce a visual resource unmatched by anything available in the Christian book marketplace The result of decades of careful research and Bible study the charts and well written explanatory text provide a fascinating picture of the times ahead Charting the End Times includes A foldout portraying God s complete plan for the ages More than 50 full color charts and diagrams Timelines of the end times A comprehensive overview of the key elements of the last days Clear answers to tough end times questions Providing a wealth of information this book is certain to become a popular study tool for understanding God s unfolding plan **Left Behind: Separating Fact from Fiction** Gary DeMar, 2009 **From Now Until Then** Dr. Billy Lindsey, 2016-03-14 This book is definitely a book on prophecy It starts with the church age and ends with an understanding of the millennium It is not intended to be an in depth study of any of the topics covered However the writer believes the reader will come away with his appetite for more in depth study of many of the topics topics that are not often dealt with to the satisfaction of the reader Topics such as the resurrected body dress transformation of the saints seven years in heaven I cant wait the throne worship and fellowship The chapter on the seventy five days is so exciting Have you ever thought about ruling and reigning with King Jesus There are some things that have to happen between now and the Rapture Perhaps both the Psalm 83 and Ezekiel 38 and 39 wars will take place It is so interesting to try to place these wars with all thats taking place in the world today Then there is the millennium when the saints will rule and reign with King Jesus for one thousand years Hallelujah I cant wait **Those Days** Elizabeth Alberts, 2020-04-14 Those Days was chosen for my book title because it describes in vivid detail what happens during the days of those left here on earth when the Church has been taken to

heaven It will be 2 520 days of God s increasing wrath poured out on man such as has not been since the beginning of creation and unless the Lord had shortened those days no flesh would be saved Mark 13 1920 *Biblical Doctrine* John MacArthur, Richard Mayhue, 2017-01-13 Long Awaited Systematic Theology by Well Known Pastor Author and President of the Master s Seminary Doctrine isn t just for theologians it s important for every Christian because it shows us who God is and how we should live Systematizing the robust theology that has undergirded John MacArthur s well known preaching ministry for decades this overview of basic Christian doctrine covers topics such as God the Father Jesus Christ the Holy Spirit the Bible salvation and more Comprehensive in scope yet written to be accessible to the average reader with non technical vocabulary minimal footnotes and a helpful bibliography this volume offers Christians a solid foundation for what they believe and why
