Station, 1902 **The Well-Trained Mind** Susan Wise Bauer, Jessie Wise, 2016-08-09 Is your child getting lost in the system
becoming bored losing his or her natural eagerness to learn If so it may be time to take charge of your child s education by
doing it yourself The Well Trained Mind will instruct you step by step on how to give your child an academically rigorous
comprehensive education from preschool through high school one that will train him or her to read to think to understand to
be well rounded and curious about learning Veteran home educators Susan Wise Bauer and Jessie Wise outline the classical
pattern of education called the trivium which organizes learning around the maturing capacity of the child s mind and
comprises three stages the elementary school grammar stage when the building blocks of information are absorbed through
memorization and rules the middle school logic stage in which the student begins to think more analytically and the high
school rhetoric stage where the student learns to write and speak with force and originality Using this theory as your model
you ll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading
writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own
aptitude in those subjects Thousands of parents and teachers have already used the detailed book lists and methods
described in The Well Trained Mind to create a truly superior education for the children in their care This extensively revised
fourth edition contains completely updated curricula and book lists links to an entirely new set of online resources new
material on teaching children with learning challenges cutting edge math and sciences recommendations answers to
common questions about home education and advice on practical matters such as standardized testing working with your
local school board designing a high school program preparing transcripts and applying to colleges You do have control over
what and how your child learns The Well Trained Mind will give you the tools you ll need to teach your child with confidence
and success *Nature* Sir Norman Lockyer, 1910
