Fiske Guide To Colleges 24:

Fiske Guide to Getting into the Right College Edward B Fiske, Bruce G Hammond, 2010-08-01 GET ACCEPTED TO THE COLLEGE THAT S RIGHT FOR YOU Everyone has their own idea of the perfect college and the best place for you to spend your college years may not be the most academically prestigious or have the best sports teams Going well beyond just college rankings the Fiske Guide to Getting into the Right College is the help you need to get started that s been trusted by hundreds of thousands of students parents and guidance counselors SIMPLIFY AND TAKE THE STRESS OUT OF COLLEGE SEARCH Choose the right type of schools for you including considering the strongest majors programs and courses Keep everything organized and filter out the marketing hype Plan and map your college visits and ask the right questions during campus tours Attract and even negotiate the best financial aid package This book is a guide not only to who you are but also to what kinds of schools will be great for you It starts with an easy but in depth assessment of your priorities then takes you step by step through the process of applying to the schools that are the best fit for you MAKE YOUR APPLICATIONS STAND OUT FROM THE CROWD Earn the test scores colleges want to see Write authentic admissions essays Submit an application that shows off your best features Know how admissions officers rank candidates Get off the waiting list and get accepted to your top schools GET ADVICE FROM THE EXPERTS Edward B Fiske served for seventeen years as education editor of the New York Times during which time he realized that college bound students and their families needed better information on which to base their educational choices He writes the 1 bestselling annual Fiske Guide to Colleges to help them Bruce G Hammond has devoted much of his time to counseling for college He served as managing editor of the Fiske Guide to Colleges and is director of college counseling at Dipont Educational Management *College Drinking* George W. Dowdall, 2023-07-03

Drinking is recognized as one of the most important problems confronting students on campus today with major impacts on health and safety This book answers crucial questions about why students drink examines its complex links to campus crime and sexual assault and offers new insights on how to address the issue It differs from other studies of college drinking by dispelling the myth that the problem is universal Dowdall s research reveals that the incidence of alcohol abuse varies enormously between colleges and in doing so identifies interventions and policies that have been effective and those that have failed His study is also unique in looking upstream at the broader cultural organizational and social forces that shape this behavior where most studies focus only on downstream behaviors well after students have selected their college and have started drinking Students and parents can take action to lower the risk of binge drinking by following the book s recommendations and consulting the data it provides about alcohol violations and crime at thousands of colleges For administrators and student affairs personnel it both defines and illuminates the issue and outlines effective interventions

The Best Resources for College Choice & Admissions Resource Pathways, Inc,1996 **Unequal Colleges in the Age of Disparity** Charles T. Clotfelter,2017-10-30 Based on quantitative comparisons of colleges since the 1970s Charles Clotfelter reveals that despite the civil rights revolution billions spent on financial aid and the commitment of colleges to greater equality stratification in higher education has grown starker He explains why undergraduate education unequal in 1970 is even more so today College Admission Robin Mamlet,Christine VanDeVelde,2011-08-16 College Admission is the ultimate user s manual and go to guide for any student or family approaching the college application process Featuring the wise counsel of more than 50 deans of admission no other guide has such thorough expert compassionate and professional advice Let s be honest applying to college can be stressful for students and parents But here s the good news you can get in Robin Mamlet has been dean of admission at three of America s most selective colleges and journalist and parent Christine VanDeVelde has been through the process first hand With this book you will feel like you have both a dean of admission and a parent who has been there at your side Inside this book you ll find clear comprehensive and expert answers to all your questions along the way to an acceptance letter The role of extracurricular activities What it means to find a college that s the right fit What s more important high grades or tough courses What role does testing play The best candidates for early admission When help from parents is too much help Advice for athletes artists international students and those with learning differences How wait lists work Applying for financial aid This will be your definitive resource during the sophomore junior and senior years of high school **How University Boards Work** Robert A. Scott,2018-01-15 An expert guide designed to help university trustees become effective leaders Honorable Mention for Eric Hoffer Award Business Category by The Hoffer Project We expect college and university trustees to hire the president advise senior staff manage investments and financial decisions and oversee major strategic initiatives Unfortunately they sometimes come into this powerful role with little or no

understanding of what they are meant to do or how their institutions work *How University Boards Work* by Robert A Scott is designed to help trustees understand how to fulfill their responsibilities Written by a widely respected leader in American higher education and former university president *How University Boards Work* is the product of personal experience and considerable research This concise straightforward guide includes an explanation of the difference between governance and management tips on how best to prepare for board decisions and discussions examples of positive and negative board behavior guidance about board professional development advice on managing transitions between chief executives *How University Boards Work* will prove an invaluable resource for those responsible for governing colleges and universities whether privately financed or state funded It will also be an illuminating read for board secretaries campus executives and administrators faculty leaders alumni volunteers and public officials as well as anybody seeking to understand institutional governance in the light of past and current trends in higher education *The Virgin Guide to British Universities 2012* Piers Dudgeon, 2012-06-30 The Virgin 2012 Guide to British Universities is the only university guide to offer a uniquely students eye view of what it s like to study at a particular university As well as hard facts and practical information on every UK university such as official ratings for teaching statistics on where graduates end up and employment prospects by subject the guide is also packed with useful information such as what the social scene is like how much living costs are likely to be and what the student profile at a particular university is really like With a comprehensive entry on every UK university The Virgin Guide to British Universities contains all the information and advice potential undergraduates will need to choose the best university for them Choosing College Michael B. Horn, Bob Moesta, 2019-08-20 Cut through the noise and make better college and career choices This book is about addressing the college choosing problem The rankings metrics analytics college visits and advice that we use today to help us make these decisions are out of step with the progress individual students are trying to make They don t give students and families the information and context they need to make such a high stakes decision about whether and where to get an education *Choosing College* strips away the noise to help you understand why you re going to school What s driving you What are you trying to accomplish Once you know why the book will help you make better choices The research in this book illustrates that choosing a school is complicated By constructing more than 200 mini documentaries of how students chose different postsecondary educational experiences the authors explore the motivations for how and why people make the decisions that they do at a much deeper causal level By the end you ll know why you re going and what you re really chasing The book Identifies the five different Jobs for which students hire postsecondary education Allows you to see your true options for what s next Offers guidance for how to successfully choose your pathway Illuminates how colleges and entrepreneurs can build better experiences for each Job The authors help readers understand not what job students want out of college but what Job students are hiring college to do for them *The New Faces of Organizations in the 21st Century* Mohammad Ali Sarlak, 2010
