Parliament. House of Commons,1855 **Parliamentary Papers** Great Britain. Parliament. House of Commons,1854 **The Guarding of Ireland - The Garda Síochána and the Irish State 1960-2014** Conor Brady,2014-09-26 A very timely analysis of the Garda S och na the Irish police force as it navigates one of the most difficult years since its foundation It is a story marked by success and failure by attempted reform and resistance to change by outstanding individual performance and deplorable lapses in discipline More than an account of policing and politics this is the story of the Republic s troubled coming of age In this excellent history of the Garda S och na the Irish police force Conor Brady the most authoritative historian of Irish policing explores its successes its failures and the biggest challenges it has faced from 1960 to 2014 and looks at the recent spate of crises around the Garda S och na Ombudsman Commission GSOC leading to the resignation of Justice Minister Alan Shatter and Garda Commissioner Martin Callinan that have rocked the force to its very core Beginning with one of the Garda s greatest tests maintaining the security of the Irish State during the Northern crisis and the Troubles Brady goes on to chronicle the emergence of guns in Irish criminal life and the rapid expansion of the domestic drug trade and related gangland warfare focussing on the interactions of the Garda and major Irish crime kingpins including Martin the General Cahill Gerard the Monk Hutch and John Gilligan alleged killer of Veronica Guerin Acknowledged as one of the successes of the independent Irish State the Garda S och na has not been without its flaws and its failings and the author does not shy away from exploring these The Guarding of Ireland

comprehensively covers the recent crisis surrounding the alleged bugging of the Garda S och na Ombudsman Commission GSOC privacy concerns in relation to the recording of Garda phone calls and the penalty points whistle blower controversy that led to the resignation of Garda Commissioner Martin Callinan and Justice Minister Alan Shatter Other fascinating subjects explored are how the supposed operational independence of the organisation has led to clashes with those in political authority from Charlie Haughey to Desmond O Malley the difficulties surrounding structural reform and the author s thesis that there is a distinct correlation between the political health of the State and the way its police discharge their functions The Guarding of Ireland focuses on Irish policing from 1969 which saw both the publication of the Conroy report and the commencement of the Troubles up to the current and ongoing scandals that this year have led to the resignation of both a commissioner and a minister for justice The Guarding of Ireland is hellip as much an analysis of the politics of policing as it is of the policing itself The Troubles the modernisation of the force and the rise in crime drugs and organised crime are all documented in a style that is detailed but still engaging Vicky Conway The Irish Times Weekend Review The Guarding of Ireland traces the history of An Garda S och na from 1960 to the present day It is a fascinating narrative that should be compulsory reading for anybody associated with the current attempts to reform the force and how it is governed For every vignette of personal heroism like that of Garda Michael Reynolds for every case of dedicated public service from individual members there are also examples of a culture that leaves much to be desired What emerges from these pages is that the culture within the force is attributable to a great extent to attitudes and oversight from its political masters In this regard nothing looms as large as the darkest days of the Troubles Mick Clifford Irish Examiner *Social Housing, Disadvantage, and Neighbourhood Liveability* Michelle Norris, 2013-11-12 In a groundbreaking longitudinal study researches studied seven similar social housing neighbourhoods in Ireland to determine what factors affected their liveability In this collection of essays the same researchers return to these neighbourhoods ten years later to see what s changed Are these neighbourhoods now more liveable or leaveable Social Housing Disadvantage and Neighbourhood Liveability examines the major national and local developments that externally affected these neighbourhoods the Celtic tiger boom area based interventions and reforms in social housing management Additionally the book examines changes in the culture of social housing through studies of crime within social housing changes in public service delivery and media reporting on social housing Social Housing Disadvantage and Neighbourhood Liveability offers a new body of data valuable to researchers in Ireland and abroad on how to create more equitable and liveable social housing **Irish Law Reports** ,1846
