Auto Repair without a Wrench Carl J. Monteleone,2021-06-29 Good news This book is your first step toward your independence from fear and anxiety about having a repair issue with your vehicle No experience necessary And no tools You re not going to learn to be a certified technician rather I will teach you about your vehicle and the important parts of the vehicle that you need to keep an eye on I will guide you to where you can get the information about your vehicle that you are going to need to know and the manufacturer wants you to have No Internet or cell phone necessary We are going to look at ways to understand the issue with your vehicle and then clearly communicate that information to the repair shop We will take it slow and cover all the basics As we move forward I ll add a layer of relevant information adding in some cases to what you have already learned We will avoid information overload or paralysis from analysis Knowledge is king Gone are the days of I only put gas in it From reading and referring to this book you are going to understand and be able to take control of your vehicle s wellness and repair Congratulations **Petersens Big Book of Auto Repair** ,1983 **How to Repair Your Car** Paul Brand, From Motorbooks the leader in automotive publishing for over 4 decades comes the most practical car care guide ever produced to help the average car owner maintain and repair his or her vehicle How to Repair Your Car In this easy to follow guide author Paul Brand a nationally known automotive expert takes you through the steps of auto

maintenance and repair simple steps that could add years to a car's life and save a driver thousands of dollars in repairs. This is also the only car maintenance and repair guide on the market to contain 50 do it yourself projects in full color step by step instructions that are easy to follow and understand. Focusing on post 1985 cars with occasional explanations about earlier models, Brand introduces readers to the rudiments of automotive systems from electrical fuel and cooling to drivetrain suspension tires brakes and exhaust and discusses problems that arise in each system. The book includes practical advice for readers with only a passing knowledge of cars as well as the basics of caring for a car's exterior and interior. How to Repair Your Car is a must have for any car owner who wants to extend the life of his or her car, learn how to perform car maintenance or repair instead of paying a mechanic, diagnose simple noises and knocks as well as learn tips for knowing exactly what they're paying for when their car goes to the shop.
