People's Choice Literature Tom Comitta, 2025-06-03 What do Americans truly want in a novel What would it look like if their preferences and aversions materialized in book form In People s Choice Literature Tom Comitta has taken up this challenge writing two groundbreaking novels based on a nationwide poll about literary taste one featuring the story elements Americans most desire and another containing everything Americans despise

The Most Wanted Novel is a fast paced thriller evoking page turners by Dan Brown David Baldacci and Janet Evanovich It follows a California woman pulled into a tech tycoon s apocalyptic ambitions after her brother s kidnapping teaming up with a hunky FBI agent with a tragic past

The Most Unwanted Novel is a genre bending doorstopper an epistolary Christmas novel set on a near future Mars where elderly aristocratic tennis players scour the globe for lost love venturing from the coldest of arctic wastelands to the darkest caverns of the macabre

Various recalling Kathy Acker C sar Aira and Philip K Dick it features sentient robots talking animals and a hundred page collection of horror stories

People s Choice Literature is inspired by the artists Komar and Melamid who created two now infamous paintings based on opinion polling A similar experiment by Dave Soldier produced The Most Wanted Song and The Most Unwanted Song Comitta has adapted these methods to fiction drawing on readers preferences about everything from genre to verb tense to characters identity and incorporating machine learning data and passages written in collaboration with a large language model

Audacious and shockingly entertaining People s Choice Literature also

asks big questions about taste authorship and the notion of good writing **Unleashed** Sigmund Brouwer,2015-10-13 Jace has it all money cars and status What he doesn't have is a happy home life Forced to protect his brother from an abusive father and a neglectful mother Jace lives a double life on the wrong side of the tracks learning to box and trying to survive on his own merits while plotting to expose his father as the monster he is Working reluctantly with two girls who have their own thoughts of vengeance Jace finds that he is not as alone as he thought and that there are people he can trust The RETRIBUTION series These interconnected narratives are page turning reads offering adventure intrigue and satisfying retribution Jace Josie and Raven are fiercely independent clever and intelligent protagonists each has a rich backstory and an engaging narrative voice that hooks readers from the beginning Will appeal to a wide range of readers including reluctant readers who need a quick hook VOYA *A Phoenix Is Forever* Ashlyn Chase,2019-03-26 She didn't see this hot cop coming Dawn Forrest is ready for a big change She's determined to put her criminal past behind her and only use her extraordinary psychic abilities for good from now on Luca Fierro is a phoenix shifter and rookie cop with something to prove The last person he should tangle with is a newly reformed bad girl especially one as irresistible as Dawn But he needs her help to find a missing child and every minute counts This case is going to put their skills to the test if only they can keep their minds on the mission instead of on each other A sizzling paranormal romance perfect for fans of Lynsay Sands and Kerrelyn Sparks Phoenix Brothers Series Hooked on a Phoenix Book 1 More Than a Phoenix Book 2 A Phoenix is Forever Book 3 Praise for Ashlyn Chase Hot and hilarious This one is a must read Night Owl Reviews Top Pick for Never Dare a Dragon What could be better than hot firefighters who shift into dragons and phoenixes RT Book Reviews 4 Stars for Never Dare a Dragon
