**Sex Cultures** Amin Ghaziani, 2017-04-03 Why is it so hard to talk about sex and sexuality In this crisp and compelling book Amin Ghaziani provides a pithy introduction to the field of sexuality studies through a distinctively cultural lens Rather than focusing on sex acts which make us feel flustered and blind us to a bigger picture Ghaziani crafts a conversation about sex cultures that zooms in on the diverse contexts that give meaning to

our sexual pursuits and practices Unlike sex which is a biological expression the word sexuality highlights how the materiality of the body acquires cultural meaning as it encounters other bodies institutions regulations symbols societal norms values and worldviews Think of it this way sex culture sexuality Sex Cultures offers an introduction to sexuality unlike any other Its case study and debate driven approach animated by examples from across the globe and across disciplines upends stubborn assumptions that pit sex against society The elegance of the arguments makes this book a pleasurable read for beginners and experts alike LGBTQ Visibility, Media and Sexuality in Ireland Páraic Kerrigan,2020-12-29 This book traces the turbulent history of queer visibility in the Irish media to explore the processes by which a regionally based media system shaped queer identities within a highly conservative and religious population The book details the emergence of an LGBTQ rights movement in Ireland and charts how this burgeoning movement utilised the media for the liberatory potential of advancing LGBTQ rights However mainstream media institutions also exploited queer identities for economic purposes which coupled with the eruption of the AIDS pandemic in the 1980s disrupted the mainstreaming goals of queer visibility Drawing on industrial societal and production culture determinants the author identifies the shifting contours of queer visibility in the Irish media uncovering the longstanding relationship between LGBTQ organising and the Irish media This book is suitable for students and scholars in gender studies media studies cultural studies and LGBTQ studies
