Board of Education, 1911      *Separate but Unequal* Frances Widdowson, 2019-11-05

Separate but Unequal provides an in depth critique of the ideology of parallelism the prevailing view that Indigenous cultures and the wider Canadian society should exist separately from one another in a nation to nation relationship Using the Final Report of the Royal Commission on Aboriginal Peoples as an example this historical and material analysis shows how the single minded pursuit of parallelism will not result in a more balanced relationship between Indigenous and non Indigenous peoples On the contrary it merely restores archaic economic political and ideological forms that will continue to isolate the Indigenous population This book provides an alternative framework for examining Indigenous dependency This new perspective the political economy of neotribal rentierism shows that Indigenous Peoples circumstances have been inextricably linked to the development of capitalism in Canada While Indigenous Peoples were integral participants in the fur trade the transition from mercantilism to industrial capitalism led to their marginalization This book is published in English Separate but Unequal fournit une analyse approfondie de l'idologie du parallélisme la vision dominante selon laquelle les cultures autochtones et la société canadienne en général devraient vivre séparément les unes des autres dans une relation de nation à nation En s'appuyant sur le rapport final de la Commission royale sur les peuples autochtones cette analyse historique et matérielle montre que les propositions parallèles visant accroître l'autonomie des Autochtones dans tous les aspects des politiques publiques ne se solderont pas en une relation plus équilibrée entre peuples autochtones et non autochtones tant donné qu'elles ne font que rétablir des formes économiques politiques et idéologiques archaïques qui continueront d'isoler la population autochtone Elle propose de recadrer la question de la dépendance autochtone en ayant recours la notion de rentierisme néotribal Ce cadre d'économie politique met en lumière le fait que les conditions des peuples autochtones ont été inextricablement liées au développement du capitalisme au Canada Ce livre est publié en anglais      **Legal Compilation; Statutes and Legislative History, Executive Orders, Regulations, Guidelines and Reports**, 1973      *History Teacher's Magazine*, 1910      Reports from Committees Great Britain.
