Listen Up or Lose Out Robert Bolton, Dorothy Grover Bolton, 2018-02-22 Learning how to actively listen and absorb what a person is saying, thinking and feeling can set the stage for dramatically improved relationships and increased personal success. Most people retain only a fraction of what they hear, resulting in miscommunications and lost opportunities. In *Listen Up or Lose Out*, communications expert Robert Bolton highlights the underestimated and underutilized tool of active listening and explains how it can be used to gather perspectives, bridge differences and resolve problems. Bolton teaches you key communication skills by breaking down listening into a set of learnable skills, such as avoiding the urge to criticize, question or advise, focusing on the speaker's point of view, asking the right questions in the right order and learning how to read people's feelings and reflect them back.
