Harris, 2005-01-01 Though more than a generation has passed since the revolutionary fervor of the Summer of Love of 1967 the 1960s in many ways seem with us still From recurring debates over the war in Vietnam to the perpetually appealing music of the Beatles and the Rolling Stone to the concern about youth drug use the legacy of the 1960s is ubiquitous in contemporary life The Summer of Love brings together an impressive group of historians artists and cultural critics to present a rich and varied interpretation of this seminal decade and its continuing influence on politics society and culture The Summer of Love which accompanies an exhibition at Tate Liverpool pays particular attention to the wildly creative psychedelic art of the era Perceptive essays on psychedelic comics graphic design and typography light shows and film successfully rescue psychedelic art from the fog of nostalgia and unjust critical neglect Distinguished contributors also explore the role of 1960s fashion and architecture and they consider anew the central influence of hallucinogenic drugs on the art of the era Running throughout the essays are the elements of epochal change from sexual liberation to student revolutions that still form the backdrop of our collective consciousness of the 1960s An incisive collection of writings on all aspects of 1960s art and culture tempered by time and critical distance The Summer of Love will be indispensable for those who wish they had been there or for those who were but can't remember it Sharpest Lowell Tarling, 2021-03-17 Lowell Tarling recorded Martin Sharp's life and his effect on his friends over twenty years Now two volumes in one in advance of the film of these books GHOST TRAIN Sharp The Road to Abraxas Part One 1942 1979 Sharper Bringing It All Back Home Part Two 1980 2013 Like the Ancient Mariner it's also a ghastly tale I could understand the events at Luna Park a bit I was trying to understand them and then suddenly there was this poetic language working to say this is a crucifixion Golgotha death by fire And then it starts to fit into Apocalyptic vision It was Abraxas if you like the dark face and the light face To look upon Abraxas is blindness To know it is sickness To worship it is death To fear it is wisdom To assist it not is redemption I don't know what it means I've never been able to work it out You get a Pop Art Parallel It was the Year of the Child the place of Golgotha the Place of the Skull and the Ghost Train You then get these events that are caused by plotting not caring for kids carelessness living a human life the way of the world Martin Sharp 4 March 1984 *Amerika Psycho* Richard Neville, 2003

Neville a political satirist jailed after the Oz magazine censorship trials in the 1960s mocks the culture that sees the world as either a target market or a target a culture he says that reveals a disturbing identification with Imperial Rome Neville provoked outrage for his essay describing the US as a nation out of control and bent on serving its interests at any cost In the wake of 9 11 he warns that America has become a wounded Goliath whose impaired psychic gridlock of us them spells further destruction for the planet unless Uncle Sam can find himself **American Hippies** W.
