

BEARDSLEY, Aubrey: Venus and Tannhäuser - An Erotic Tale

1906 - 1907

Novel written and illustrated by Aubrey BEARDSLEY (1872 Brighton - 1896 Munich), never completed. Some chapters had appeared previously, were reprinted in 1904, and the original manuscript was privately printed in a limited edition in 1907 by Smithers, London.

The novel was reprinted in 1985 in a folio format by Ducken Hoskins, London, under the title:

Venus and Tannhäuser - An Erotic Tale by AUBREY BEARDSLEY

The story of Venus and Tannhäuser in which is set forth an exact account of the manner of state held by Madam Venus, Goddess and Mercier's under the famous Rosenbergs, and containing the adventures of Tannhäuser in that place, his repentance, his journeying to Rome, and return to the loving mountain.

The reprint, without numbered pages, has a cover image with 'Venus between Terminal Gods', a double page frontispiece and only two illustrations strictly belonging to the novel. It features however many other drawings from other works (Lysistrata, Salomé, etc.) by BEARDSLEY.

The book is ludicrously dedicated 'To the most eminent and reverend Prince GIULIO POLEO PEGOLE Cardinal of the Holy Roman Church... etc' and the chapters have a hilarious title:

I How the Chevalier Tannhäuser entered into the Hill of Venus.

II Of the manner in which Venus was coiffed and prepared for supper.

III How Venus supped, and thereafter was mightily amused by the curious pranks of her entourage.

IV How the court of Venus behaved strangely at her supper.

V Of the ballet danced by the servants of Venus

VI Of the amorous encounter which took place between Venus and Tannhäuser.

VII How Tannhäuser awakened and took his ablations in the Venusberg.

VIII Of the entry of Adolphus, and of the remarkable manifestation thereof.

IX How Venus and Tannhäuser breakfasted and then drove through the palace gardens.

X Of the 'Noibat Mass', Spivision, and De La Piss.

A full account of the history of the publication is told by John Glaser who extended the incomplete story. The original ends abruptly in the middle of Chapter X where Tannhäuser is still enjoying the hedonistic domain of Venus, but Glaser added Chapters XI to XIX including Tannhäuser's withdrawal from the Hill of Venus (Chapter XIV), his pilgrimage to Rome, his audience of the pope and finally his return to Venus.

His Belonging An Erotic Tale English Edition
