History P1 Memo 2014 November:

History Continues Sabri Kicmari, 2022-12-07 Decades after Francis Fukuyama's end of history thesis became famous the conflicts and turmoil of history have returned Dr Kicmari having seen his own native land erupt in a European civil war in the 1990s has been thinking about these issues for many years This book highlights the return of ideology to international relations presenting harsh ideological models which challenge liberal democracy This becomes even more relevant in light of the Russian invasion of Ukraine The publication of this book aims to draw attention to the danger posed to world peace by ideological models alongside the need for commitment to strengthen democracy in the world and should interest diplomats journalists and scholars

Ukraine Over the Edge Gordon M. Hahn, 2018-02-08 The Ukrainian crisis that dominated headlines in fall 2013 was decades in the making Two great schisms shaped events one within Ukraine its western and southeastern parts divided along cultural and political lines the other was driven by geopolitical factors Competition between Russia and the West exacerbated Ukraine's divisions This study focuses on the historical background and complex causality of the crisis from the rise of mass demonstrations on Kiev's Maidan Nezalezhnosti Independence Square to the making of the post revolt regime In the context of a new cold war the author sheds light on the role of radical Ukrainian nationalists and neofascists in the February 2014 snipers massacre the ouster of President Viktor Yanukovych and Russia's seizure of Crimea and involvement in the civil war in the eastern region of Donbass

Weapons of Mass Destruction Joseph M. Siracusa, Aiden Warren, 2017-03-29 Whether possessed by a state or non state actor the specter of Weapons of Mass Destruction WMDs and more specifically nuclear weapons and their associated material present a significant threat to global security Notwithstanding the fact that there are fewer nuclear weapons today than the massive stockpiles that existed during the height of the Cold War the complexities relating to nuclear security have in many ways intensified amid globalization and porous borders More states in volatile regions possess such weapons UN Security Council states are busily modernizing their weapons and non states actors have made it clear their intention to use such weapons should they attain them The emerging prospect of a cyber attack or a misunderstanding that could potentially evolve into a limited regional nuclear war would both have dire global ramifications and are scenarios that should not be considered farfetched Additionally concerns pertaining to chemical and biological weapons the associated ramifications relating to nuclear terrorism and broader limitations of the NPT regime all pose major challenges to global stability In considering all of these areas this foundational primer for the Rowman and Littlefield WMD Series seeks to inform and advance policy debate in ways that support international security while also adding important connective tissue between analytical areas in the IR and historical domains that often remain separate Offering a comprehensive analysis of the evolution and current status of WMDs this volume will be of great interest to scholars analysts and students of security studies international history and international relations

Known Unto God Simon Fowler, 2025-10-15 To commemorate the centenary of the Cenotaph this is the story of the exhaustive hunt for missing

servicemen from the Great War and other twentieth century conflicts and how bodies continue to be recovered to this day

Dictionary Catalog of the History of the Americas New York Public Library. Reference Department, 1961 Pacific Power? Joanne Wallis, 2017-07-17 Australia is much larger and has significantly more military and economic power than its Pacific Island neighbours As a result it is frequently described as having a natural right to lead in the region Yet Australia has found it difficult to effectively influence Pacific Island states in pursuit of its strategic interests It provides the definitive account of how and how effectively Australia has sought to influence Pacific Island states in pursuit of its strategic interests since 1975 the year that Papua New Guinea Australia's former colonial territory gained independence Informed by interviews with key decision makers Pacific Power analyses why Australia has had difficulty exercising influence in the Pacific Islands and identifies how Australia can more effectively influence Pacific Island states in pursuit of its strategic interests and how Australia can present itself more as a Pacific partner than power Surveillance Law, Data Retention and Human Rights Matthew White, 2024-09-16 This book analyses the compatibility of data retention in the UK with the European Convention on Human Rights ECHR The increase in the use of modern technology has led to an explosion of generated data and with that a greater interest from law enforcement and intelligence agencies In the early 2000s data retention laws were introduced into the UK and across the European Union EU This was met by domestic challenges before national courts until a seminal ruling by the Court of Justice in the European Union CJEU ruled that indiscriminate data retention was incompatible with EU law Since then however the CJEU has revised its position and made certain concessions particularly under the guise of national security This book focuses on data retention in the UK with the principal aim of examining compatibility with the ECHR This is explored through a variety of ways including providing an account of democracy and why secret surveillance poses a threat to it a history of data retention assessing the seriousness that data retention poses to fundamental rights the collection of rights that are affected by data retention which are crucial for a functioning democracy the implications of who can be obligated to retain and what to retain the idea that data retention is a form of surveillance and ultimately with all things considered whether this is compatible with the ECHR The work will be an invaluable resource for students academics researchers and policy makers working in the areas of privacy human rights law and surveillance *Global biographies* Laura Almagor, Haakon Ikononou, Gunvor Simonsen, 2022-08-02 Global biographies provides an advanced and comprehensive analytical framework for historians to use biography as a method to write global history Moving beyond the state of the art the volume defines and operationalises three uniquely tailored approaches to global biographies time and periodisation exceptional normal and space and scales From Icelandic communists and Jewish medical students via Zambian Third Worldism and Albanian nationalism to the Black White Atlantic and Australian internationalists the volume tests the prospects and pitfalls of the approaches it launches **Handbook of Cannabis** Roger Pertwee, 2014-08-21 Truly global in scope and with contributions from leading researchers around the world The Handbook of Cannabis is the definitive resource

on this fascinating drug Combining scientific perspectives and clinical applications it covers a vast array of topics from why over the centuries cannabis has been used as a medicine through the regulations facing those wishing to self administer cannabis or provide cannabis based medicines to the chemical structure of its many constituents and the rapidly growing group of synthetic cannabinoids that are currently being used for legal highs With each chapter written by a group of one or more internationally recognised subject experts it provides academics and researchers with authoritative scientific material on the main pharmacological actions and their effects as well as their pharmacokinetics metabolism and forensic detection In addition it also examines the complex morphology cultivation harvesting and processing of cannabis and the ways in which the plant s chemical composition can be controlled As well as offering a raft of scientific information there is extensive coverage of cannabinoid based medicines Helping readers to identify and evaluate their benefits chapters explore pharmacological actions and the effects that seem to underlie approved therapeutic uses how they are currently used to treat certain disorders and the ever growing number of wide ranging potential clinical applications There is also coverage of both the legal and illegal sources of cannabis including coffee shops and cannabis dispensaries The complex issue of recreational cannabis is also tackled The sought after and adverse psychological and non psychological effects are described and discussions are included on how some adverse effects can be lessened by at least one constituent of cannabis and that it might be possible to reduce the harm that cannabis does to some by changing current regulatory policies The Handbook of Cannabis is a one stop reference essential reading for all clinicians pharmacologists psychologists and psychiatrists interested in this drug as well as those working in the field of public health

Churchill as Home Secretary Charles Stephenson, 2023-02-22 There can be few statesmen whose lives and careers have received as much investigation and literary attention as Winston Churchill Relatively little however has appeared which deals specifically or holistically with his first senior ministerial role that of Secretary of State for the Home Office This may be due to the fact that of the three Great Offices of State which he was to occupy over the course of his long political life his tenure as Home Secretary was the briefest The Liberal Government of which he was a senior figure had been elected in 1906 to put in place social and political reform Though Churchill was at the forefront of these matters his responsibility for domestic affairs led to him facing other major challenges departmentally this was a time of substantial commotion on the social front with widespread industrial and civil strife Even given that Home Secretaries never do have an easy time his period in office was thus marked by a huge degree of political and social turbulence The terms Tonyandy and Peter the Painter perhaps spring most readily to mind Rather less known is his involvement in one of the burning issues of the time female suffrage and his portrayal as the prisoners friend in terms of penal reform Aged 33 on appointment and the youngest Home Secretary since 1830 he became empowered to wield the considerable executive authority inherent in the role of one of His Majesty s Principal Secretaries of State and he certainly did not shrink from doing so There were of course commensurate responsibilities and how he

shouldered them is worth examination
