History Paper 2 Memorandum For Grade 12 June 2014

Anton N Oleinik

History Paper 2 Memorandum For Grade 12 June 2014:

Asymmetric Crisis in Europe and Possible Futures Johannes Jäger, Elisabeth Springler, 2015-04-10 The crisis in Europe is often discussed as a crisis of European integration or a crisis of national economies within Europe Both the methodological Europeanism and methodological nationalism miss out the important links between economic and political processes at different spatial scales within Europe and therefore asymmetries and phenomena of uneven development In addition a discussion of possible scenarios which systematically addresses the implications of anti crisis policies is missing This volume seeks to close this gap by systematically integrating the analysis of economic policy or technical solutions to the crisis within a broader framework of political economy It argues that combining critical political economy approaches and post Keynesian perspectives allows for a systematic understanding of the economic and political dimensions of the crisis Although both approaches have the capacity to deal with asymmetries and uneven development the heterogeneity in Europe has been an often largely neglected dimension of analysis However this recent crisis has shown that this is an essential dimension which has to be addressed in order to better understand the dynamics of European development and integration Hence this book aims to deal with asymmetries in Europe and to bridge the gap between the two perspectives This work will initiate an integrative debate that is crucial for a deeper understanding of the current crisis and is an important resource for all students and scholars of IPE European political economy and European politics *The Chief* Joan Biskupic, 2019-03-26 An incisive biography of the Supreme Court s enigmatic Chief Justice taking us inside the momentous legal decisions of his tenure so far John Roberts was named to the Supreme Court in 2005 claiming he would act as a neutral umpire in deciding cases His critics argue he has been anything but pointing to his conservative victories on voting rights and campaign finance Yet he broke from orthodoxy in his decision to preserve Obamacare How are we to understand the motives of the most powerful judge in the land In *The Chief* award winning journalist Joan Biskupic contends that Roberts is torn between two often divergent priorities to carry out a conservative agenda and to protect the Court s image and his place in history Biskupic shows how Roberts s dual commitments have fostered distrust among his colleagues with major consequences for the law Trenchant and authoritative *The Chief* reveals the making of a justice and the drama on this nation s highest court

Systemic and Non-Systemic Opposition in the Russian Federation Cameron Ross, 2016-03-03 Over the period December 2011 July 2013 a tidal wave of mass protests swept through the Russian Capital and engulfed scores of cities and regions Civil society it appeared had at last woken up This fascinating book examines the rise and fall of the non systemic opposition and the role of the systemic political opposition during this turbulent period Leading experts in the field from Russia along with scholars from the UK and the US reflect on the conditions that have made large scale protests possible the types of people who have taken part and the goals of the opposition movement at both the national and regional levels Contributors discuss what steps the regime has taken in response to this challenge and examine the relationship between the

systemic and non systemic opposition and what potential exists for the creation of a broad based opposition coalition The role of the expanding Russian middle class is discussed along with contemporary developments among the Russian left against the backdrop of the global economic crisis The political social and ethnic dimensions of the protest movement are also examined at both the national and regional levels in this truly comprehensive study of the rebirth of civil society in modern Russia
