5. Your **explanation** must offer a developed **explanation** of **why** the point answers the question: "The resentment amongst the German people **because** army restrictions left the country in an **unstable** position in terms of defense. The small army size **made it** impossible to secure the border and the **lack of a high command** **meant that** the people felt made an attack more likely. Restrictions at sea **meant that** the superior navies of the **other powers** could easily overpower them, and the lack of a high command **meant that** the small army could not defend itself effectively."

6. You must **summarize** the explanation and **link back to the question**.

7. The **conclusion** must be clear: "The German people resented the army restrictions of the Treaty of Versailles because it **made the country** **unstable** and **left the country vulnerable to attack** against a range of enemies."
