1. Read the passage and answer the questions A and B :

The famous Greek Philosopher Aristotle said, "Man is by nature a social animal." What he meant was that man, by instinct seeks company of others and establishes relationships, much like most animals of the wild, for companionship and for physical and emotional support. Unlike the animals, however, man's relationships give meaning to his existence and inspire him to do well in education, in workplace or in a profession that he pursues.

Relationships are of different kinds. Some are familial and intimate, formed by blood and by marriage; some are social like the ones we have with friends and some are made in school where we form close bonds with classmates and teachers.

Relationships can also be fostered in workplace, which may quickly change from professional to social. There are relationships also between human beings and animals between children and their toys that they can not part with.

All these relationships keep us close to each other and provide us all kinds of support, love and affection. A person who has no family feels the pain of loneliness and isolation. There is no one to laugh or cry with him/her. When we share our joys with someone, it simply redoubles, and when we suffer a loss and someone shares our sorrow, it lessens. Relationships are thus needed for our emotional health.

To build relationships, we need to have trust and respect for each other, and love where this is needed. We cannot be selfish and possessive if we want to establish an effective relationship. But quite often we see people quarrelling and fighting with each other which only brings misery and loss to all.

Hasan Munna,2022-08-18 First of all I am giving thanks in front of the Most Merciful Almighty There is no substitute for a good GPA in HSC if you want to move forward in the current era of success But at HSC we do badly in English I have not been able to read English since childhood After reading the same tick for so many years the students have to go to the private tutor for HSC for English I wrote the book English A to get rid of all these problems There is a video class created by me which is taken on Nahid24 YouTube channel so that you don t have to read any problem while reading the book If a student takes the book in hand and conducts all the YouTube classes regularly then he she will not need any other private tutor In HSC English 1st and 2nd paper questions come from certain topics but students cannot finish even half of it at the end of the year by reading a very thick book But if someone reads only the necessary topics well for 2 months then he will be able to get good results in English If any student can finish this book completely I hope he will get A in English 1st and 2nd 2 subjects InshaAllah This book is completely different from other books There is nothing less important in the book So nothing should be left out Each topic is given a writing technique and some important examples By mastering the techniques and practicing the examples one can overcome the weakness of HSC English in a short time If he can master the book well then he will succeed in HSC exam InshaAllah I think my hard work and effort will be successful only if the students benefit from reading this book Since no book other than the Qur an alone is perfect and man is not above error so reluctantly if there is any mistake in the book you will look at it with forgiveness
