

S i g n p o s t s

As I struggle in my mind
For the things I left behind
Want to go back and relive
My precious happy times
But they are just an illusion now
That can not be physically caught
Just milestones flags in my long
One-way journey through the time
Make me realise; when I look back
How far I have come to be right here
The signs giving me hope for future
The future unseen; hidden in the fog
Uncertainty tries to push me back
I cautiously put my foot forward
Moving the short distance that I can see
But keep looking back to gain strength
From the happy times I had,
my flags my signposts,
my hope for unseen future
