Like Father Like Son:

Like Father, Like Son Shirley Scott, 2006-09-30 Kitty loves Rand although aware she's his social inferior. She feels his many moods prove that fact despite his amorous attentions. A smart gal would run rather than risk her heart but mystery abounds in her employer's family and she's more than curious. Why do Rand and his Aunt treat Paul like a leper while Rand's grandmother appears to adore Paul? And if Rand is reputedly Paul's clone, why such venom for his father? Is it worth risking her heart by staying in her job long enough simply to solve the mystery? [Like Father, Like Son](#) Robert Scott, 2002-12-01

Death of a Parent Debra Umberson, 2003-04-28 When a parent dies, most adults are seized by an unexpected crisis that can trigger a profound transformation. Using in-depth interviews and national surveys, Dr. Umberson explains why the death of a parent has strong effects on adults and looks at protective factors that help some individuals experience better mental health following the death than they did when the parent was alive. This is the first book to rely on sound scientific method to document the significant adverse effects of parental death for adults in a national population. Exploring the social and psychological risk factors that make some people more vulnerable than others, readers will come to view the loss of a parent in a new way as a turning point in adult development.

Humanity is an animal derived from earth and enlightened by a spirit from heaven We are urged to abandon our sinful souls and accept an image of our divine creator We are then both mortal and eternal Our bodies are from the universe that had its beginning some 14 billion years ago but spiritual enlightenment came much later and is still happening Can a natural being lacking a spiritual enlightenment go to heaven No not without the help of a superior spiritual being that we call a Messiah Jesus came from heaven and was born and lived on earth and when he died his spirit returned to paradise with a repentant sinner who had shared the cross with Jesus Our faith is that Jesus will take us also King David an ancestor of Abraham died and returned as the transformed son of Mary called Jesus the image of his heavenly Father Symbols are often employed in the Bible One set of them are the ancient elements earth air fire and water that distinguish between our material and spiritual natures Earth and water refer to the earth life and air and fire relate to the spiritual In Noah s flood the water baptizes cleans our sinful self and a dove an air symbol points out Jesus as the ultimate cleanser The fire on the heads of people gathered from all parts of the world at Pentecost describe the final cleansing by Jesus who baptizes with fire The sun moon and stars are a set of symbols that refer to the father son and holy spirits The stars represent our spirits that fall to earth periodically and embody there The star that the magi followed was not an astronomical object it was the vital spirit of Jesus The sun moon and stars are the spiritual lights of the world A few other symbols with important roles are the zodiac the hidden number 9 and the alpha and omega in the world This is a hint ADM
