The call to preach is just that a call to preach The call to preach however is more than just preaching The call to preach is a call to prepare Too many pastors have refrained from preparation while they await the Holy Spirit to do all of the work God expects preachers to prepare sermons as much as possible and allow Him to prepare the preachers Join Dr Jerry Vines and Dr Jim Shaddix as they achieve a balanced approach to teaching sermon preparation in Power in the Pulpit This book combines the essential perspectives of a pastor of forty years with another pastor who also devotes daily time to training pastors in the context of theological education Thus Power in the Pulpit is a practical preaching help from a pastoral perspective in the tradition where expository preaching is a paramount and frequent event in the life of the local church Power in the Pulpit is the combined work of Dr Vines s two earlier publications on preaching A Practical Guide to Sermon Preparation Moody Press 1985 and A Guide to Effective Sermon Delivery Moody Press 1986 Dr Shaddix carefully organizes and supplements the material to offer this useful resource which closes the gap between classroom theory and what a pastor experiences in his weekly sermon preparation Mechanical Design, Engineering Development and Technological Growth Eleazar I.
