Scenes and Machines on the English Stage During the Renaissance Lily Bess Campbell, 1923 The Strong Delusion John W. Milor, 2017-02-20
John Milor's fascinating work is based on the Bible telling of a powerful deception that will overshadow the Earth, a deception so intense that only those with a genuine love relationship with God will be able to endure it. Events from the author's own life including a series of supernatural encounters have revealed some key components of this strong delusion which he believes will initiate a grand display of open contact with extraterrestrials. It will also involve the global rise of Islam. It's no mistake that the faiths of four billion people, Christians and Muslims, include two versions of prophetic visions that are nearly identical yet they represent opposite sides of a global conflict that will end in the Battle of Armageddon. This book delves into myriad topics including Encounters with angels, otherworldly beings, and Jesus Christ. Encounters with demons, ghosts, nephilim, jinns, and mythical creatures. The Bible's explanation of ET good guys and bad guys. The Quran and Hadiths. ET connection. Was Muhammad abducted as a boy and operated on? Was the angel that abducted Muhammad really Gabriel? Were the mysterious jinns of Islam actually surviving nephilim? Is the Quran and Hadiths ideology specifically tailored for the Antichrist? These and other topics harken to ancient times and peer into a not too distant future when the author believes we will see a return to the days of Noah as prophesied by Jesus.
