

PROJECT: KATHARINE AND HER FRIENDS

Introduction: Katharine and Her Friends

Katharine and her friends are a group of young people who are interested in the environment and in making a difference in their community. They are looking for ways to make their world a better place.

Objectives

The objectives of this project are to: 1. Increase awareness of environmental issues. 2. Develop skills in research, writing, and presentation. 3. Encourage students to take action on environmental issues.

The first objective is to increase awareness of environmental issues. This will be done by having students research and write about different environmental problems. They will then present their findings to the class.

The second objective is to develop skills in research, writing, and presentation. This will be done by having students work in groups to research and write about a specific environmental issue. They will then present their findings to the class.

The third objective is to encourage students to take action on environmental issues. This will be done by having students develop and implement a plan to reduce their own environmental impact. They will then report back to the class on their progress.
