In! College Admissions and Beyond: The Experts' Proven Strategy for Success Lillian Luterman, Jennifer Bloom, 2011-07-05 An award winning step by step guide to college admissions that helps students through every aspect of the application process and gives them a proven approach to make their application stand out from the rest Two expert college admissions consultants a mother daughter team share their step by step proven strategy for creating an application that stands out and gets you IN College admissions has never been more stressful Not only is admission ruthlessly competitive with more and more qualified students applying each year but the application process has become more confusing than ever before Most parents and students feel anxious overwhelmed and confused by the choices and trade offs In is based on the authors 20 years of experience working privately on boarding college and graduate school admissions with students from all over the world While there is no shortage of college admissions guidebooks on the market In offers students and their parents a crucial element that none of the others do a clear step by step strategy that helps students not only compete academically with other qualified applicants but also develop a defining interest in incremental attainable steps that distinguishes them from their peers and gives them an edge with college admissions officers This strategy is summed up in a four word phrase be alike but spike This means that the applicant must perform on par with other students applying to similar colleges while also working to stand out from the pack like a

spike on a graph in one area Ironically it s often the well rounded student an ideal many applicants strive for who gets rejected In shows students how to create that distinction by identifying and layering their passion showcasing their interest in many different ways and circumstances Enlivened with instructive case studies as well as entertaining New Yorker cartoons this book carefully guides students through the application process showing them how to rise to the top of an applicant pool of thousands And unlike most books about getting in In s lessons do not end at college acceptance Rather than viewing college admissions as a hurdle to be quickly and painlessly cleared mother daughter team Luterman and Bloom present it as an opportunity for students to mature expand their horizons and discover what makes them tick Not only does this book get you in it gives teenagers the tools and confidence they ll need for future success Be Alike How to optimize your GPA standardized tests extracurricular activities and more Spike How to develop a unique area of distinction that makes you stand out from your peers How to create a winning college application including personal essays activity chart letters of recommendation and more How to choose the right college for YOU and how to prepare to attend and afford your top choice school Public Library Core Collection John Greenfieldt,Patrice Bartell,2008 Wilson s Public Library Core Collection Nonfiction 13th Edition 2008 recommends reference and nonfiction books for the general adult audience It is a guide to over 9 000 books over 6 500 titles are new to this edition plus review sources and other professional aids for librarians and media specialists Acquisitions librarians reference librarians and cataloguers can all use this reliable guide to building and maintaining a well rounded collection of the most highly recommended reference and nonfiction books for adults All titles are selected by librarians editors advisors and nominators all of them experts in public library services The collection is a valuable tool for collection development and maintenance reader s advisory weeding your collection and curriculum support Richly enhanced records provide a wealth of useful information All entries include complete bibliographic data as well as price subject headings annotations grade level Dewey classification cover art and quotations from reviews Many entries also list awards best book lists and starred reviews Save Time Efficiently organised and includes Starred titles Save Money Allocate your resources to the best materials available Stay Relevant Discover the best in important contemporary categories Complete Coverage Includes recommendations on periodicals and electronic resources too Four Year Subscription This Core Collection was originally sold as a four year subscription The core edition published in 2008 delivers a library bound volume with an extensive selective list of recommended books From 2009 to 2011 Wilson published extensive paperback supplements to the 2008 edition A new cycle of materials will begin in 2012 However the 2008 to 2011 materials are currently available Buyers of them will receive all these materials immediately All four years are only 420 Uniquely Valuable There is nothing quite like Wilson Core Collections The accumulated expertise of our selectors and the unquestioned reputation of these collections is invaluable Wilson Core Collections are universally recognised as impartial and expert aids to collection development that assist and reinforce the judgement of librarians everywhere Selection to a Wilson Core
