General Administration Manual Of Rbi:

I Promise to Pay... Navin Bhatia,2023-05-25 Paper currency has been part of our lives for well over a century Despite handling it frequently we know so little about it This book demystifies paper currency in a short and simple narrative This is a story of how currency notes come into existence lead eventful lives and ultimately leave this world just as we humans do It also tells how the notes have been changing over time While doing so it unravels many interesting facets of paper currency For instance do you know that the first Governor of the Reserve Bank of India did not sign any banknotes Or that if a note is torn or a portion thereof is missing you can still get full value for it from your bank Or that the One Thousand Rupee note has been demonetised three times Or that the numerical value in words of an Indian currency note is mentioned on it in 17 languages And many many more Today when currency is getting a new avatar in the form of digital currency it is time to look back and enjoy the fascinating life and times of paper currency in India For those embarking on this journey here s wishing them Bon Voyage
