Her lawyer friend smiled It s the inspired leadership they ve been getting he replied New blood new ideas It s just magnificent The maestro appeared at the edge of the orchestra pit and received enthusiastic applause Although even I would admit that Rossini s genius might have something to do with it Martin said raising his voice over the audience s appreciation Still you ve broken the glass ceiling yet again I would say Bravo Miss Vydra You re too kind she said patting his hand as the strings stirred in a quiet but ominous tremolo quickly ushering in a sudden and violent orchestral tutti brassy and loud which filled the huge auditorium with the dark ferocity of the storm it depicted Vicki let the eruption pass through her finding herself carried by its torrential force allowing the moment to fill her with an awed respect for nature s power She knew that it could not last and the audience was soon deposited kindly into the peaceful meadow of the storm s passing Horn calls signaled the all clear and as one can always expect from Rossini the good humor and delicate social fun poking resumed
