What does it tell you about the American industrial revolution? (According to this source)

What does this image tell you about the appearance of English industrial cities in the 1800s?

There is a great deal of truth in the statement that the American industrial revolution was a great success. It brought about a new era of material progress and wealth. It gave a new life to the American people. It gave them a new sense of purpose and direction. It gave them a new sense of pride and accomplishment. It gave them a new sense of hope and optimism. It gave them a new sense of freedom and independence. It gave them a new sense of power and influence. It gave them a new sense of responsibility and duty. It gave them a new sense of honor and glory. It gave them a new sense of love and compassion. It gave them a new sense of peace and harmony. It gave them a new sense of unity and brotherhood. It gave them a new sense of hope and optimism. It gave them a new sense of freedom and independence. It gave them a new sense of power and influence. It gave them a new sense of responsibility and duty. It gave them a new sense of honor and glory. It gave them a new sense of love and compassion. It gave them a new sense of peace and harmony. It gave them a new sense of unity and brotherhood.
