Churchill's German Spy David Tremain, 2025-08-05 Compared to many of MI5's other double agents HARLEQUIN's career was very short lived lasting only for a few months in 1943 However during that time he provided insights into the various parties involved in the Appeasement process in 1938 the Czech crisis of 1939 the enterprises of a Franco American businessman who hosted the Duke and Duchess of Windsor's marriage in France the espionage activities of an aristocratic German family Admiral Canaris the head of the Abwehr many of the Abwehr's personalities with whom he had come into contact or had known about and the agents he employed as well as relations between the disparate organisations of the German intelligence services the Abwehr Gestapo and Sicherheitsdienst SD the intelligence arm of the SS Furthermore he revealed the German Armistice Commission's involvement in espionage and their links to the Abwehr MI5 shared this intelligence with the FBI and the Office of Strategic Services OSS before HARLEQUIN requested that he be returned to American custody where he remained for the rest of the war His effectiveness as a double agent will be examined using newly released official files as a primary source

Churchill as Home Secretary Charles Stephenson, 2023-02-22 There can be few statesmen whose lives and careers have received as much investigation and literary attention as Winston Churchill Relatively little however has appeared which deals specifically or holistically with his first senior ministerial role that of Secretary of State for the Home Office This may be due to the fact that of the three Great Offices of State which he was to occupy over the course of his long political life his tenure as Home Secretary was the briefest The Liberal Government of which he was a senior figure had been elected in 1906 to put in place social and political reform Though Churchill was at the forefront of these matters his responsibility for domestic affairs led to him facing other major challenges departmentally this was a time of substantial commotion on the social front with widespread industrial and civil strife Even given that Home Secretaries never do have an easy time his period in office was thus marked by a huge degree of political and social turbulence The terms Tony pandy and Peter the Painter perhaps spring most readily to mind Rather less known is his involvement in one of the burning issues of the time female suffrage and his portrayal as the

prisoners friend in terms of penal reform Aged 33 on appointment and the youngest Home Secretary since 1830 he became empowered to wield the considerable executive authority inherent in the role of one of His Majesty s Principal Secretaries of State and he certainly did not shrink from doing so There were of course commensurate responsibilities and how he shouldered them is worth examination [Global biographies](#) Laura Almagor,Haakon Ikonomou,Gunvor
