

How to Write a Research Analysis

1 Introduce the article.

State the article's title and author and outline its main point. At the end of the introduction, present your thesis statement.

2 Summarize the article.

Summarize the article's purpose, research methods, findings, and the authors' conclusions. Be brief.

3 Write your research analysis.

Analyze each section of the research article: introduction (with a focus on the research purpose), methods, results, and discussion.

4 Conclude your analysis.

Give your overall evaluation of the article. Suggest future research directions or state the article's relevance and contributions.

5 Revise and proofread.

Check your research analysis paper for mistakes, logical inconsistencies, missing or redundant details, and citations.
