Lightning Storm The Haxa Trilogy:

Lightning Storm Adrianna Clarkson, Rhea Calica, 2014-10-22 Rivera and Alexia Connely are two sisters used to figuring out things on their own. It has been three months since they saw their mother Elizabeth, leader of their coven of witches. Tasked with protecting the Shadow Coven in their mother's absence, the sisters must rely on their Haxa magic to help prevent a takeover and a war. Alexia is the healer, Rivera is the destroyer. But everything changes when their mother suddenly returns with a war between the Haxa and the humans following closely at her heels, a war with the potential to cause catastrophic events. Rivera, who is furious at her mother's plot, resolves to do the right thing. Alexia, less certain of the right thing, is content to follow a more confident Rivera, even if only for a little while. As Rivera and Alexia rely on their dark and healing magic to lead a group of Haxa into battle to save the humans with help from Rivera's best friend and an unlikely human partner, the sisters face betrayal from every direction. Now only one question remains: will they survive? In this young adult fantasy, two teenage Haxa sisters destined to fight in a war between morals and species are about to learn that the battle is only the beginning of a life ruled by choices.

Lightning Strikes Trilogy Boxed Set (Books 1-3) Barbara Freethy, 2019-04-11 In this special boxed set of three connected full-length romantic suspense novels, lightning leads to love, danger, and the unraveling of long-buried secrets that will change not only the past but also the future.

BEAUTIFUL STORM Lightning Strikes 1 When her father's plane mysteriously disappeared in the middle of an electrical storm, Alicia Monroe became obsessed with lightning. Now a news photographer in Miami, Alicia covers local stories by day and chases storms at night. In a flash of lightning, she sees what appears to be a murder, but when she gets to the scene, there is no body, only a military tag belonging to Liliana Valdez, a woman who has been missing for two months. While the police use the tag to jump-start their stalled investigation, Alicia sets off on her own to find the missing woman. Her search takes her into the heart of Miami's Cuban American community, where she meets the attractive but brooding Michael Cordero, who has his own demons to vanquish. Soon Alicia and Michael are not just trying to save Liliana's life but also their own, as someone will do anything to protect a dark secret.

LIGHTNING LINGERS Lightning Strikes 2 Katherine Barrett, a dedicated young doctor, receives a terrified phone call from her brother TJ. He is running away to Mexico to save himself and their family from an unnamed killer. He warns her not to come after him and not to go to the police, as there is no one she can trust. But Katherine realizes there might be someone she can trust. She turns to her former high school sweetheart, Jake Monroe, the man whose heart she broke a decade earlier. Katherine asks Jake to fly her into a remote and dangerous part of Mexico where no one else dares to go. Jake had always thought that one day Katherine would realize she needed him, but he didn't expect it to go down this way. Still, he can't resist the beautiful blonde he has never been able to forget. They set off on an adventure that will take them into the past, unravel a decade of secrets, and lead them into the heart of a lightning storm that will change the way they look at their families, the world, and each other.
