McCrossen,2013-05-01 Tells a story of a period when the quest for accurate timekeeping became an obsession in the US  
 Choice The public spaces and buildings of the United States are home to many thousands of timepieces bells time balls and  
 clock faces that tower over urban streets peek out from lobbies and gleam in store windows And in the streets and squares  
 beneath them men women and children wear wristwatches of all kinds Americans have decorated their homes with clocks  
 and included them in their poetry sermons stories and songs And as political instruments social tools and cultural symbols  
 these personal and public timekeepers have enjoyed a broad currency in art life and culture In *Marking Modern Times* Alexis  
 McCrossen relates how the American preoccupation with time led people from across social classes to acquire watches and  
 clocks While noting the difficulties in regulating and synchronizing so many timepieces McCrossen expands our  
 understanding of the development of modern time discipline delving into the ways we have standardized time and describing  
 how timekeepers have served as political social and cultural tools in a society that doesn't merely value time but regards  
 access to time as a natural born right a privilege of being an American A precise acute and well measured monograph *Journal*
